FROM

Robert B. Clegg Esq.,
Collector and District Magistrate,
Salem,

TO

THE SECRETARY TO GOVERNMENT, Local and Municipal
Department,
Madras.

SIR,

I have the honor to request that sanction may be accorded for the construction of the following sheds with tiled roofing at the Road frontier Inspection Stations at Guezuvadi and Kottakondapalli in the Hosur Taluk. The Hospital Assistant's shed at the former place became infected as was indicated by the appearance of a number of dead rats. Subsequently dead rats were also found at the Hospital Assistant's shed at Kottakondapalli. This was followed by three fatal cases at the Kottakondapalli camp one being a relation of the Hospital Assistant and the other two being a Police Constable and the Conservancy Manstry of the Camp. These sheds were leaky and it was reported that owing to the way in which the roofs

roofs were built they could not be rendered water-tight by retatching. The sheds were accordingly dismantled and new ones have been built.

Inzuwadi.

1. One shed for the hospital Assistant measuring 24' x 12' consisting of two rooms — each 12' x 12' — — — — — Rs 80
 2. One shed for the peons 12' x 10' — — — — — 40
 3. Two cook houses 8' x 8' each costing Rs 19 — one being for the hospital Assistant and the other for the peons — — — — — 38
