the defn of street include
Such land? 8/1

The definition of "street" as given in
Sec 3 (v) of the Act no doubt includes
Such land. But please see paras 1 & 2
of P.O. No 2893 M of 4th Dec 1897.
From which it will be seen that any
Such wide interpretation of the act
will be untenable -

The proposed sale of
the land in question cannot be
sanctioned, as it does not appear
to form part of the actual road-
way and cannot therefore be
held to rest in the Commissioners
under Section 233 of the Act.

SIR,

In reply to G.O. No. 1169, Local and Municipal, dated the 15th ultimo, herewith returned with its enclosures, I have the honor to report that the land therein referred to forms part of the open lands on the eastern side of the Southern extremity of the Main Street, Black Town, and is directly in front of the house alluded to by the Municipal President. It is stated to be partly built upon and is one of those roadside lands which will eventually have to be handed over to the Municipality under para 4 of G.O. No. 2693 M, Local and

Municipal

Municipal, dated 11th December 1897;
there is therefore no objection to the

The SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

MADRAS.

SIR,

In reply to the Government Memorandum no. 1328 of the 2nd Instant, the enclosure to which is returned, I have the honor to report that the small bit of land in question appears in the survey plan as part of the road, and probably vested in the Municipal Commissioners under Section 2 of the City of Madras Municipal Act of 1864 when it was passed. Now that the Mason drains have been constructed on either side of road, the street is well defined, and the land referred to lies outside the roadside drains constructed by the Municipality, and does therefore, actually form part of the road.

his sense, it may be held to fall within the pur-
view of paras 2 and 3 of G.O. no. 2693m dated
4th December 1897 but the Deputy Collector con-
sidered that it belongs to that class of roadside
land referred to in para 4 of that G.O. and which
will have to be eventually handed over to the care
of the Municipality and will vest in the Commis-
sioners under Section 233 of the Act.

I have the honor to be,

Sir,

Your most obedient Servant.
