Depd. S. 98

From M. K. C. Ramesh Chandra Rao
Chairman, Municipal Council,

LOCAL & MUNICIPAL DEPT. CUDDAPAH.

To The Secretary to Government,
Local and Municipal Department,
Fort Saint George

Through The Divisional Officer
Cuddapah

ni ap 289 Sir,
I have the honor to report that one
Mr. Voronha, 3rd class Hospital Assistant
was appointed as the passport issuing
officer of this Municipality for passengers
alighting at the rail station to work on
alternate days as the 2nd class Hospital
assistant. Mr. Kadamuni Choudhary. The
appointment was made by the District
Medical and Sanitary Officer in his letter

No 3945
16.11.99 apparently under orders from
the Collector with a view to give relief to
Mr. Madamuni dos Naidu who had been
doing the same duty alone during the
previous two months. Mr. Koronha is
also in charge of the Segregation Sheds
which are situated close to the Railway
Station. Except on a solitary occasion
when one of the Sheds was used in the
case of 2 persons who were suspected
to be suffering from Bubonic fever the
Sheds are now and then used for
disinfection whenever the same is found
necessary. It is now a month and a
half since any disinfection has taken
place there.

Before the appointment of Mr. Nida-
muni dos Naidu and subsequently

Mr. Koronha has the honorary supervision
of the Municipality but has been ordered
to do the duty of issuing pass-ports both
for passengers alighting at the Railway
station as well as those that enter the
town by road.

Mr. Koronha was only a reserve Hospital
assistant. Subsequent to his appointment
he was paid by the municipality pay of
Rs 25 and allowances of Rs 10 which at first
was called local allowance and subsequently
plague deputation allowance.

G.O. No 1153 P
23.9.98 says that the Hospital
Assistant deputed on plague duty to a
distance from the scene of his ordinary work
is entitled to a plague allowance of Rs 10 per
month.

Mr. Koronha being only a reserve Hospi-
tal Assistant has no scene of ordinary
work and his Case is not governed by
G.O. in question. It seems doubtful
therefore whether Mr. Koronha is entitled
to any allowance deputation or local.

he has been appointed
In addition to the above allowance
Mr. Koronha claims house rent of Rs 5.
per mensem. He states that there is no
accommodation for him to live in the plague
Sheds

sheds and that he is therefore obliged to rent
a house and ^{that} his pay is not sufficient to
meet his ordinary expenses and household.
The Council at its meeting dated 20.5.99.
resolved to grant him house rent of
Rs 5. of course on the understanding
that such allowance was not opposed
to the G.O. on the question.

I have therefore the honor to enquire
whether Mr Noronha is entitled to any
allowance beyond his ordinary pay of
Rs 25 per mensem. In this context I also
point out that other Hospital Assistants
who acted for Mr Vadamuni doss Naider
during his absence on leave and on
other duty are making claims for
similar allowances.

I am, Sir,
Your Most Obedient Servant

Secretary
for Chairman

Buddapah Collector's Office
Dated 10th August 1899

Forwarded.

The Hospital Assistant is under the
orders of the District Medical and
Sanitary Officer as a spare hand for
employment on urgent work. He has
been deputed for plague duty of a
light nature, viz., of inspection of passen-
gers at the Railway Station. He
is therefore entitled to plague allowance
of Rs 10 as per instructions Communi-
cated with Government order ^{1153P.} 23-7-98.
Although he has no other ordinary
work in Buddapah, he was deputed
for plague duty from Mangalore and
must, I think, be considered to be
at a distance ^{from} the scene of his ordinary
work. The question of house rent of
Rs 5 to Hospital Assistants is dis-
posed of by the Plague Commission
in his proceedings no 10. According
to which he is entitled to get it.
The Council has now sanctioned payment
of house rent for May only, but

have not sanctioned payment for previous months. This also, I think they are ^{required} requested to do. I am directing that the Hospital Assistants being merely passport issuing officers may be replaced for that purpose by a couple of clerks on Rs 15 or 20, who will assist the Station Master as clerks do in other stations.

- As the Hospital Assistant is stated to have been deputed from Mangalore for plague duty in the Cuddapah District, he should be considered to have been deputed to a distance from the scene of his ordinary work, and allowed a local allowance of Rs 10/ per mensem under Govt. order No 1153.P. dated 23-9-98. He is also entitled to the usual house rent allowance as he is attached to a plague inspection station, vide Plague Commissioner's Proceedings No 907. dated 13-12-98.
- The above charges are payable by the Municipality as Cuddapah has not been notified as a plague inspection station in the Fort St George Gazette.
