Additional Mufassal Regulation 21.

Ordering the publication of a notification amending the —

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—again the following paper:—

G.O., Mis. No. 1369 P., dated 16th September 1899.

Read—telegram from the Collector of Salem, dated 10th September 1899.

ABSTRACT.—Requesting that the villages of Andivadi, Mingarapalli and Kalukondapalli may be at once declared infected, as the delay allows people leave the villages without being passported.

Order—Mis. No. 1369 P., dated 16th September 1899.

The villages mentioned in the telegram read above have been declared to be infected with plague—*vide* G.O., No. 1337 P., dated 9th instant. As regards the delay referred to by the Collector, he is referred to Additional Mufassal Regulation 21, under which he can himself notify a place to be infected. If this is done Additional Mufassal Regulation 5 will apply, irrespective of Original Mufassal Regulation 17.

READ—also the following paper:—

From R. B. CLEGG, Esq., Acting Collector and District Magistrate of Salem, to the Secretary to Government, Local and Municipal Department, dated 20th September 1899, Ref. on No. 1618-P.C.

Referring to G.O., Mis. No. 1369 P. of the 16th instant, I have the honour respectfully to submit that as I understand Additional Mufassal Regulation 5, it refers only to persons passing through frontier inspection stations. If my view is correct this regulation will not prevent people from entering non-infected villages from infected villages within the district without passports.

2. Additional Mufassal Regulations 7 and 15 read with 21 seem to imply that passports should be taken out, but as far as I can see there is no regulation rendering it binding on persons leaving a village declared infected by the Collector under Additional Mufassal Regulation 21 to take out passports within 12 hours of arrival at another village. Original Mufassal Regulation 17 applies, as I understand it, only to areas declared infected by the Governor in Council. I would suggest that by an addition to Additional Mufassal Regulation 21 of the words "and Original Mufassal Regulation 17" between the words "whereupon Part I of these rules" and the words "shall come into force in the district if they have not been put in force by the Government already," the obligation be made clear.

3. The question being important, I request that I may be favoured with early instructions.

ORDER—No. 1447 P., dated 2nd October 1899.

The Collector's suggestion to amend Additional Mufassal Regulation No. 21 is approved, and the following notification will be published in English and in the vernaculars in the Fort St. George and all District Gazettes:—

NOTIFICATION.

Under the provisions of the Epidemic Diseases Act, III of 1897, His Excellency the Governor of Fort St. George in Council is pleased to direct that No. 21 of the Additional Mufassal Regulations, published on pages 55—64 of Part I-A of the *Fort St. George Gazette*, dated 1st March 1898, shall be amended by the addition of the words "and Original Mufassal Regulation No. 17" between the words "whereupon Part I of these rules" and the words "shall come into force in the district if they have not been put in force by Government already."

SUBJECT.

Amendment of Additional
Mufassal Regulation 21.

FOR ORDERS.

The Collector's proposed addition
to Addl. Mufassal Regt. 21 will
make matters clear, but it
does not seem quite necessary.
Under Original Mufassal Regt. 17,
the following classes of persons
are bound to take out pass-
ports :-

(a) those arriving "from any place
declared to be infected with plague"
(b) those arriving "from any place
notified by H. E. the Governor of Fort
St. George in Council for the purposes
of this Regt."

The words "by H. E. the Governor in
Council" are in clause (b), not
in clause (a), and the Collector
does not seem quite correct
when he says that Regt. 17 applies
only

only to places declared infected
by the Governor in Council. The de-
claration may be made either by
foot, or by the Collector (under Adm.
Muf. Reg. 21.) In this connection
vide original Mufassal Reg. 1
where reference is made to any
"area which has been notified
by the Governor in Council or the
Collector to be infected." If the
Collector notifies a place to be
infected, original Mufassal Reg.
17 will at once come into operation.

The Collector may be informed
accordingly, & the last sentence
of G.O. No. 1369 P dt 16-9-88 cancelled.

25/9/88

No this will not do, the
Regulation as the Com. says
misleading & not clear in
proposed amendment will make
the thing quite clear
but up a draft to amend
the Regulation accordingly
for approval & issue

SALEM COLLECTOR'S OFFICE,

20th September 1899

FROM

Robert B. Clegg Esq.,
Collector and District Magistrate,
Salem,

TO

THE SECRETARY TO GOVERNMENT, Local and
Municipal DEPARTMENT,
Madras.

SIR,

Referring to G.O. no: 1369 I mis.
of the 16th instant. I have the honour
respectfully to submit that as I
understand additional mufassal
Regulation 5 it refers only to persons
passing through frontier inspection
stations. If my view is correct
this regulation will not prevent people
from entering non-infected villages from
infected villages within the district
without passports.

2. Additional mufassal regulations
7 & 15 read with 21 seem to
imply that passports should be taken
out but as far as I can see there

is

is no regulation rendering it binding
on persons leaving a village declared
infected by the collector under ^{Additional} mufassal
regulation 21 to take out passports
within 12 hours of arrival at another
village. Original mufassal
regulation 17 applies, as I understand
it, only to areas declared infected
by the Governor in Council. I
would suggest that by an addition
to additional mufassal regulation
21 of the words "and original
mufassal regulation 17" between
the words "whereupon Part I of these
rules" and the words "shall come
into force in the district if they
have not been ^{put} in force by the
Government already", the
obligation be made clear

3. The question being important,
I request that I may be favour-
ed with early instructions.

I have the honour to be,
Sir,
