SALEM COLLECTOR'S OFFICE,
18 9. 1899.

FROM
Robert B. Clegg Esq.,
Ag Collector and District Magistrate,
Salem,

To
The Secretary to Government,
Local & Municipal Department,
Madras.

Sir,

With reference to memorandum
on C No. 2287 P of 14th August last,
I have the honour to report as follows.

2 Clerks in the Collector's office. Of the 3 clerks in my office temporarily entertained on account of plague, the one on Rs 45 assists the general establishment in plague correspondence and returns and the other two on Rs 20 are exclusively employed in registering intimations received under regulations VIII and IX recovering & checking passports. The No. of currents received and the No. of disposed of files during the quarter ending 31st March

and 30th June 1899 and during July and August last are given below.

	Opening balance	Received during	Disposed of
Quarter ending 31st March 99	7	764	738
Do — 30th June 1899	33	478	466
July & August 1899	45	316	309

The correspondence is still heavy and there are no signs of a decrease for the present as fresh villages are becoming infected by the medium of rats. In addition to the correspondence the necessary registers have to be maintained and the periodicals such as the weekly returns of plague cases the monthly list of Establishment & the quarterly budgets have to be attended to. This additional work cannot be performed by the Regular Establishment without aid and the temporary clerk should be retained for the present. No reduction can be made in the number of the passport clerks.

The number of intimations registered from October 1898 to August 1899 is given below.

October 1898		4448
November		5227
December		4302
January 1899	1st to 10th 979 11th to 31st 3793	4772
February 1899		5338
March		7434
April		7509
May		9273
June	1st to 25th 8281 26th to 30th 1253	9534
July		7328
August 1899		8300

Till the middle of January 1899 one clerk was in charge of this work when, the inspection of the westward trains having been ordered an additional clerk was appointed to cope with the increased work. Though the inspection of the westward trains was discontinued f from the end of June last, large numbers of people continue to arrive in the district, the average during the past two months being about 250 a day. This ~~w~~ entails hard & steady work and cannot be expeditiously and satisfactorily done by a single clerk.

2 Clerk in the Taluk Office Tirupatur

Over 1000 passports had to pass through the Taluk office Tirupatur in the month of August last. The Tahsildar ~~says~~ states that the removal of the few towns in the North Arcot Dt and the Railway Stations between Jolarpet and Arkonam from the list of areas to which the passport rules apply, has not effected any material reduction of work in the Taluk office and that the temporary clerk is necessary as long as the Jolarpet inspection station is maintained. The Head Asst. Collector supports the Tahsildar's recommendation and I agree with them.

3 Clerk in the Taluk office, Krishnagiri.

The number of arrivals in the Krishnagiri Taluk was 1308 in June and about 850 in July and August 1897. There is direct communication between this Taluk and the gold fields, and as plague prevails on two sides of it in the Hosur Taluk and in the Kolar Dt., the work may suddenly increase any moment. The Sub Collector states that so long as the frontier stations are kept up there will continue to be much passport work for the temporary clerk to attend to. I support his recommendation for the retention of the clerk.

4. Nurses Two of the nurses have since been dispensed with in pursuance of G.O. No. 1247 P.Hs. d/ 14th August 1899. Three are attached to the Jalarpet Inspection Station and the remaining two to the ambulance staff at Hosur. If the Surgeon General can find efficient nurses at a lower rate to work at Jalarpet Inspection Station, the three nurses now employed may be replaced. As regard the ambulance nurses the work is extremely unpleasant for women of their stamp entailing as it does, a lot of travelling from village to village and I doubt if we can get satisfactory workers at less pay. One of them Mrs Gowe is an exceptionally good & willing nurse and at Shulagiri did more to keep the ambulance staff together and are of more value than any other member of the staff. I would suggest that the Surgeon General be asked if equally good nurses are available at lower rate for the ambulance. The Surgeon General to whom I made a reference about native nurses has stated that it is very difficult to get them.

5. Special Sub Magistrate Hosur.

The Sub Collector reports that the number of passports issued in the Hosur Tq is increasing rather than diminishing of late – & that this must necessarily take up a considerable part of the Tahsildar's time, even with the assistance of extra clerks, that the Tahsildar's revenue work is also in arrears the number of papers pending at the end of the last quarter in the Taluk office being 302 and that if the magisterial work be added to his duties the pendency of other work in the Tahsildar's office is bound to increase. He thinks that the appointment of the Special Submagistrate must be continued for some time longer. In addition to the passport work of which the figures are given in the margin, the Tahsildar has to attend to the upkeep of the sheds at the frontier stations and elsewhere including health camps, and has to be at the beck & call of the various plague authorities.

February	1005
March	1483
April	1787
May	2,427
June	2,785
July	3,941
August	3026

I submit therefore that the Special Submagistrate should not be abolished. The number of cases on the file of the Submagistrate up to the end of August was 308.

I have the honour to be
Sir,
Your most obedient servant
