that when the Cuddalore District

was placed under observation in 1998,

it was thought desirable that an Assistant

Assistant

Assistant should be ^{deputed} placed to examine passengers alighting at the railway station and to issue passports to those that arrive from infected areas. I therefore in consultation with the Collector appointed 2nd class Hospital Assistant P. Nadamuni does raida to plague duty at the railway station and he took charge of this work on the 24th September 1918. Subsequently in October 1918

the District Medical and Sanitary Officer suggested that it was not possible for one man to be duty at the railway station examining arrivals by train both day and night every day and proposed the appointment of a 3rd class Hospital Assistant in addition, that ^{the} two Hospital Assistants may be able to work by turns. On a reference to the Collector, the Collector ordered the 3rd class Hospital Assistant P. J. Nosonha (one of Hos. pital Assistants sent on plague duty to Cudapah District by the

the Sanitary Commissioner) to proceed to Cudapah to do duty at the railway station and he entered on his duties on 14.11.18.

The two Hospital Assistants have been doing plague duty at the railway ever since. I have therefore the honor to request the sanction of the Government for the appointment of the Hospital Assistants with effect from the dates on which they respectively entered on their duties.

I have further to point out that I have in my letter 1/10.8.19 addressed the Government through the Collector proposing to dispense with the services of these Hospital Assistants replacing them by two passport issuing clerks on Rs 15 each per mensem.

It was also arranged that 50 ha women

women holding passports should be
observed in their houses and for
some time, the nurses belonging
to the ambulance corps were deputed
to that work and when the ambulance
corps was disbanded, the Municipal
Council, in its meeting dated 12th
May 1999 sanctioned the appoint-
ment of a separate competent nurse
if available on a monthly salary of
Rs. 30 or the payment of an allowance
of Rs. 20. per month to the hospital matron
for doing that duty. One Mrs. J. Harper
was on duty for one month and nine
days from 12th May 1999 to 9th June 1999 on
pay of Rs. 30. from which date Mrs.
Chippa the hospital matron has been
doing that duty drawing an allowance
of Rs. 20. per month.

I have therefore the honor to request
the

the sanction of the Government for the
payment of this allowance Rs. 20. to the
hospital matron with retrospective effect
from the date of her appointment and
for the appointment of Mrs. Harper on
Rs. 30. for the period noted above.
