TO

THE SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT,

Madras,

SIR,

In submitting herewith for the orders of Government the paper^s in connection with the application of Major Allport, late Medical Officer in charge of the Station Hospital Poona-mallee for the concession of extra privilege leave under the Resolutions of the Government of India Nos. 5047P dated 15th November 1897 and 2852P dated 29th June 1898, I have the honour to report as follows:-

2. Major Allport was the local authority under Regulation 17 of the Original Mufassil Plague regulations framed under Act 111 of 1897 and on account of extra work thrown upon him he applied for an allowance. The Government in its order No. 627P Mis: dated 26th April 1899 found that Major Allport was entitled to no such allowance.

3. He now applies for extra privilege leave in accordance with the concessions sanctioned by the Government of -- India in the case of officers employed on duties connected with famine relief or the plague. The Surgeon General P.M.O. Madras Command seems to be of opinion that Major Allport is entitled to such concessions.

4. From the letter of Major Allport No. 138P dated 9th March 1899 it is observed that in about 8 months he had to observe 240 travellers with passports and write (or get written)

129 letters and memos. He had also to keep one register and one letter book and had to observe inoculated persons in their -- houses in two cases. The additional work does not in my opinion appear to be ^Cduy "so unusually arduous as to render him deserving of the concession." If Major Allport is entitled to the extra leave nearly all the officers of the Government (in the Revenue and Medical Departments) in this District are equally entitled to it.

I have the honour to be
