Copy of letter from the Collector of Vizagapatam,
D.Dis.No.33-P, dated 15th August 1899:-

The Accountant-General in his letter No. T.143/4023 Vizag., dated 14th July 1899, informs the District Medical and Sanitary Officer, Vizagapatam, that as T.Narasinga Rao, a 3rd class Hospital Assistant was posted to plague duty at Vizianagram Railway station from 15th April to 3rd May 1899, the charges on account of which are Provincial under G.O.No.615, Financial, dated 17th May 1899, there is no objection to the payment of his salary for the period he was in transit from Provincial Funds. On the strength of the same Government Order viz. G.O.No.615, dated 17th May 1899 and of the Accountant-General's Circular letter No. T.A.General 153, dated 21st June 1899 issued in pursuance of the terms of it, the Chairman, Municipal Council, Anakapalle, requested me to order payment to his Municipality from Provincial Funds of a sum of Rs. 334-11-1 being the total expenditure incurred by it in connection with plague during 1898-1899 while the Chairman, Municipal Council, Vizagapatam, has forwarded through me a letter to the Accountant-General claiming refund from Provincial Funds of the amount expended by his Municipality on account of plague during 1898-1899. I replied to the former that, as there is no such thing as a Railway Inspection station in this district as contemplated in original Mufassal Regulation 14, his Municipality must bear the expenditure referred to in his letter and I have forwarded the communication of the latter to the Accountant-General with an endorsement to the effect that the Railway inspection stations referred to in G.O.No. 615, Financial, dated 17th May 1899 appear to be those contemplated in original Mufassal Regulation 14 and that there are none such in this District.

2. I have the honour, now, to enquire if I am right in thinking that Government Order No.615, Financial, dated 17th May 1899 does not contemplate Railway Inspection stations such as those of this District viz. Vizianagram, Vizagapatam and

Anakapalle

Annakapalle &c. which have never been notified as Railway Inspection stations and where observations of arrivals from infected areas is made by officers employed by Municipal Councils. If my interpretation of the G.O. is correct the expenditure referred to above will have to be debited to "Municipal" and not "Provincial" as opined by the Accountant-General, and the circular of the Accountant-General also requires to be amended. The early orders of Government are solicited.

Copy of Endorsement of the Accountant-General, No.

T.249 Vizag./6207, dated 7th September 1899:-

Forwarded. On the Collector pointing out that no Railway Station in Vizagapatam District had been notified as a Railway plague Inspection Station in the Fort St. George Gazette, I intimated to him my concurrence in the views set out in the present letter.

O R D E R: -No. 1072, dated 2nd September 1899.

The railway inspection stations referred to
in G.O.No.615, Financial, dated 17th May 1899 are those con-
templated in original Mufassal Regulation No. 14 i.e. Stations
which have been notified as Railway Inspection Stations in the
Fort St. George Gazette. As there are no such railway inspec-
tion stations in the Vizagapatam district, the plague charges
incurred at the Vizianagram, Vizagapatam and Anakappalle rail-
way stations should be debited to Municipal.
