 THE Secretary to Government Local and

Sir,
 In order to explain certain entries in the plague
 Establishment list for this month submitted from
 this office, I have the honour to report the steps
 taken by me on the receipt of the telegram em-
 bodied in G.O. 1391 Pluis.

20.9.99
 (a) The Road Frontier Inspection Station at
 Madhavaram in Observation group I was closed
 and that at Duggavatti on the Mysore Frontier
 which had been closed last hot weather, was
 reopened, so as to intercept passengers coming
 from Harihar, the next station to Davanagere, on
 the Hubli - Bangalore branch of the Southern Mah-
 ratta Railway to the Harapanahalli Taluk

(b) The supervisor and the 2 inspectors working
 in observation group I were withdrawn and
 group III, (Harapanahalli Taluk) which had been

closed last hot weather was reopened with a supervisor and 3 Inspectors.

(c) One of the 2 Assistant Inspectors of Observation Group I, who had been working in the Union Village of Zimmigannur was withdrawn and posted to the Harpanahalli Union.

(d) The other Assistant Inspector of Observation Group I, who had been working in the Union Village of Kosgi, was retained and the Village, which owing to its situation on the Railway within a few miles of the Hyderabad frontier requires watching, was added to the closely adjoining observation group II.

(e) The additional staff employed in observation group IV owing to the appearance of plague at Gan-garati in the Hyderabad State (Vide L. O 869 P mis) 8.6.99 being found of no particular use was abolished, one of the 2 Inspectors posted being given to Observation group VIII, which seemed to require one more Inspector than the number that had been working in observation group I.

2 The net result of the above is the abolition of one Inspector's post. I trust that my action may be approved.

I have the honour to be

Sir,

Your most obedient servant
