With reference to Board's Reference No.A.256,dated the 18th of July 1899, I have the honour to state that the pay of Lt. Hawks as Special Plague Officer was debited to "24 Medical expenses in connection with Bubonic Plague" and that the sanction of Government is necessary to his drawing charges for conveyance of his horse from Cuddapah to Madanapalle under article 1095 Civil Service Regulations as the powers of sanction under article 1094 Civil Service Regulations have not been delegated to the Surgeon-General with the Government of Madras who is the head of Department or Controlling Officer in this case. The enclosures are herewith returned.

Resolution.

In the circumstances reported by the Accountant-General in the second paper read above, the claim of the Special Officer Lieutenant G.A.Hawks for refund of the cost of conveying his horse by rail from Cuddapah to Madanapalle under article 1093 of the Civil Service Regulations will be submitted for the orders of Government in the Local and Municipal Department through the Surgeon-General.

2. The Collector will be informed that similar applications in the case of Plague Officers whose pay is debited to 24-Medical-Expenses connected with Bubonic Plague should in future be forwarded to Government direct through the Surgeon-General.

Endorsement of the Surgeon-General, Madras, No.T.8/534, dated 8th September 1899, on the above:-

Forwarded for the sanction of Government.

2. Lt.Hawks having been sent to Cuddapah urgently on plague duty, required a horse to get about the country, but fortunately no plague cases having occurred he did not happen to require it. He was right in arriving there prepared for emergencies and the claim for the allowance appears admissible.

O R D E R:-No.1079, dated 3rd October 1899.

The bill will be passed for Rs.22-2-0, the actual cost of the carriage of one horse and of the conveyance of one grass-cutter.
