I

Mr. B. K. Santaya having been appointed Secretary to the Municipal Council on probation I think it my duty to record my opinion of the manner in which he has done his work during my term of office as the Revenue Divisional Officer and Ex. Officer Municipal Councillor, as I am now leaving the District. I have known Mr. Santaya for the last 3 years. How hard and conscientiously and honestly he worked during the late Famine as a Circle Inspector in the Bellary Taluk. I need not say here, as his services have been recognised by my Superior Officers. Since he joined the Bellary Municipality too, he has evinced the same devotion to duty. Not only does he look minutely into the office routine but also displays commendable zeal and energy in the Executive branch as well. I was struck with his powers of endurance and patience in dealing with plague cases without

without shrinking back in the least and without leaving everything to others, he did in person all that had to be done both in the treatment of patients and in effecting segregation &c. He is thorough and zealous in all he does and is quite equal to emergencies.

16. 3. 1899 } Deputy Collector

Mr. B. H. Santhayya joined his appointment under me as Secretary on the 13th July 1898 and ever since has been working under my personal direction and supervision. My term of office as Chairman of this Municipality having expired with this day I felt it my duty to record my opinion of him and of his work. He is of good, strong physique and capable of bearing any amount of work. He is intelligent, willing, hard working and trustworthy. His devotion to duty is highly commendable. He looks into

into every detail of all the branches of the Municipal work and gives nearly ten hours a day for it. He is always ready at ^{call} and is equal to any emergency. He has done his work both indoors and outdoors to my entire satisfaction and I had the greatest pleasure in taking work from him. He is calm and patient. He was of the greatest assistance to me in dealing with the imported Plague cases and their contacts. I fully endorse the opinion—entertained of him by my colleague and Revenue Divisional Officer Mr. R. B. A. recorded in his minutes of 16th instant.

In my humble opinion he fully deserves to be confirmed in his appointment after the period of probation and it will give me the highest pleasure to know it when

The Chairman

Dear Sir,

With reference to the pending question of the confirmation of Mr. Santhaya, I wish to express my admiration of his thoughtful and energetic conduct in connection with the important case of Plague in Bellary. From what I saw of arrangements that had been made, and which had not been made, I felt convinced

at the time of my late inspection that it was due to Mr. Santhaya's promptitude and thoroughness that the town escaped being indigenously affected.

Yours faithfully,
Signed / W. G. King.
