I have the honour to request the orders of Government as to what funds should bear the cost of carbon-paper intended to be purchased and supplied to passport-issuing officers under paragraph 2 of the Plague Commissioner's Proceedings, No. 1081, dated 18th April 1899, embodied in G.O., No. 864 P., dated 7th June 1899. There are passport-issuing officers appointed and paid by the local bodies and there are again stationmasters who are appointed as honorary passport-issuing officers by the local lecturer. The former are supplied with stationery and postage stamps by the local body concerned and the latter are supplied with postage stamps alone from Provincial funds, under the Plague Commissioner's Proceedings, No. 31/4, dated 6th January 1899. No necessity has arisen in this district hitherto to supply the latter class of officers with stationery. I have therefore the honour to request whether the honorary passport-issuing officers may be supplied with carbon-paper at the cost of Provincial funds.
