READ—again the following paper :—

G.O., Mis. No. 1277 P., dated 22nd August 1899.

Read—the following papers :—

From the Collector of Anantapur, dated 24th July 1899, Extra No. I.

ABSTRACT.—Submitting report on a case of plague imported into Penukonda from Mysore City.

From the Collector of Anantapur, dated 24th July 1899, Cur. No. 1711 P.

ABSTRACT.—Forwarding copy of report received from the Tahsildar of Penukonda on the imported plague case at Penukonda on 22nd July 1899.

Reference on C. Nos. 2163 and 2164 P., dated 28th July 1899.

ABSTRACT.—Requesting the Collector of Anantapur to explain how no passport was issued to the patient either at the Hindúpur inspection station or at Penukonda and also to report if any passport was given to the patient's brother who accompanied him.

From H. L. BRAIDWOOD, Esq., Head Assistant Collector in charge, Anantapur, to the Secretary to Government, Local and Municipal Department, dated 9th August 1899, Ref. on C. No. 1720 P.

Adverting to Government Memorandum, Ref. on C. Nos. 2163 and 2164 P., dated 28th July 1899, I have the honour to state that in this office C. No. 1720, dated 24th idem, the explanation of the Medical officer in charge of plague inspection station, Hindúpur, was called for as to how the Penukonda plague patient managed to escape detention at Hindúpur. Mr. Todd has now furnished his explanation, from which it will appear that the names and addresses of Srinivasa Chari and his brother Ramakrishna Chari were recorded by him according to the Original Mufassal Regulation 17 (viii); but they were omitted in the intimation of passengers submitted to the Collector which mistake the doctor attributes to the carelessness of the clerk under him. He says at the same time that he did not check the intimation with the register. Copies of his letters, Nos. 177 and 190, dated 25th July and 7th August, respectively, are herewith sent. I am of opinion that the clerk should be held to blame and that Mr. Todd's duty does not extend to the checking of the intimations with the register.

2. The passport-issuing officer at Penukonda failed to issue passports to the patient and his brother on their arrival at that station; the services of this man have already been dispensed with by the District Medical and Sanitary Officer for failing to disinfect an infected house at Penukonda and falsely reporting that he had done so.

No further action is therefore, in my opinion, necessary as against him.

Order—Mis. No. 1277 P., dated 22nd August 1899.

Recorded with the remark that the Inspecting Medical officer should see that intimations of all passengers are despatched without delay. Regulation 17 (viii) (page 16 of the Madras Plague Regulations) does not require the maintenance of a register. The information referred to therein should be recorded in duplicate with the aid of carbon paper, a separate slip of paper being used for each passenger. One set of copies should be forwarded *at once* to the respective destinations and the other kept for reference at the inspection station.

(True Extract.)

READ—also the following paper :—

From R. B. CLEGG, Esq., Acting Collector and District Magistrate, Salem, to the Secretary to Government, Local and Municipal Department, dated 8th October 1899, Ref. No. 1652-P.C.

With reference to my inquiries regarding delays in the examination of trains, the present Chief Medical Officer, Jalarpet, reports that they are due to the inadequacy of the intimating staff and to the fact that, under G.O., Mis. No. 1277 P., dated 22nd August 1899, a separate intimation slip of paper has to be filled up for each passenger. The practice at Jalarpet almost from the beginning has been to record intimations in duplicate with the aid of carbon paper, using a separate slip for each passenger. In the case, however, of family groups having the same destination and address their names were recorded in the same slip so far as legibility allowed and this was found to economize time. Apparently Government does not intend that even in such cases a separate slip should be used for each member of the family. I have the honour to request that in the case of the family groups a reversion to the former practice may be allowed and that the Government order may be modified accordingly. I shall report separately regarding additional staff, if necessary.

ORDER—No. 1530 P., dated 23rd October 1899.

The Government agrees with the Collector and considers that in the case of the members of a family proceeding to the same destination, their names may be entered in one slip of paper. G.O., Mis. No. 1277 P., dated 22nd August 1899, is modified accordingly.

To

THE SECRETARY TO ~~THE COMMISSIONER OF~~ Government

Local & Municipal Department

Madras.

SIR,

With reference to my enquiries regarding delays in the examination of trains, the present chief medical officer Jalarpet reports that they are due to the inadequacy of the examining staff and to the fact that under G.O No 1277 P. Mis dy 22-8-99 a separate intimation slip & paper has to be filled up for each passenger. The practice at Jalarpet almost from the beginning has been to record intimations in duplicate with the aid of carbon paper using a separate slip for each passenger. In the case, however, of family groups having the same destination and address their names were recorded in the same slip so far as legibility

allowed and this was found to economize time. Apparently Govt. ment does not intend that even in such cases a separate slip should be used for each member of the family. I have the honor to request that in the case of the family forms a reversion to the former practice may be allowed and that the G.O. may be modified accordingly. I shall report separately regarding additional staff, if necessary.

I have the honor to be,
Sir,
Your most obedient Servant

Hamid Hamilton
