Simla, the 29th September 1899.

SIR,

I AM directed to address you on a matter connected with the employment of Commissioned Medical Officers on plague duty. Cases have occurred in which a Commissioned Medical Officer lent to a Local Government for plague duty has been permitted by the Local Government to revert to military duty when his services were no longer required. I am to ask that in future no officer of the Indian Medical Service or the Royal Army Medical Corps lent for plague duty may be permitted to revert to military duty without the previous sanction of the Government of India. This request is made because it may sometimes happen that the Government of India may need the officer for civil duty elsewhere.

I have the honour to be,

SIR,

Your most obedient Servant,

A. H. L. FRASER,
Offg. Secy. to the Govt. of India.
