CURRENT No. 2605 M

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Surgeon-General, Madras, No.T.8/547, dated 13th September 1899:—

With reference to G.O.No.794 Public dated 15th July 1899, I have the honor, after consulting the Surgeon 1st District, to submit the following proposals for the opening of an Ophthalmic institution at Royapuram.

- The proposed institution should be established as an adjunct of the new Municipal Hospital for North Black Town now under contemplation.
- Separate waiting rooms should be provided for male and female native outpatients one for each class- and another for European patients both male and female.
- An equal number (2) of dressing rooms with a small pharmacy should be provided for male and female native outpatients.
- There should be a dark room (20' x 8') for conducting Ophthalmoscopic Examinations.
- Provision should be made for an operation room with ample light.
- Two wards to hold 6 inmates each- one for males and the other for females should be provided for inpatients.
- Special appliances and fittings such as are named below will be necessary at an approximate

cost

cost of Rs.500.

Cases for trial lenses mounted in rings. Ophthalmoscopic
lamp test types-perimeter refraction. Ophthalmoscope-
Optimeter- Ophthalmosmeter &c.

O R D E R:-No.1098, dated 27th September 1899.

With reference to paragraph 6 of G.O. No.370 M, L and M.,
dated 20th June 1899, the Surgeon-General submits proposals for
opening an Ophthalmic institution at Rayapuram. He suggests that
the Ophthalmic Hospital should be an adjunct of the proposed
new Municipal Hospital, but he does not state whether a separate
building, or an attached wing will be required, nor does he
deal with the question of the establishment which will be
required.

2. The Surgeon-General will be informed that as soon as
the proposal to build a Municipal Hospital is finally decided
upon, he should submit more detailed proposals, including the
question of buildings and establishment.
