The Secretary to Government

The Collector of
Madura

In submitting herewith copy of the

resolution of the Municipal Council No. 182 dated
6th September 1899 sanctioning increase of pay to one of
the compounders of the municipal Hospital, I have the
honor to state that the District Medical and Sanitary
officer Madura, proposed the increase at the time of the
preparation of the budget for the current year, but the
proposal was thrown out, Council not being then
convinced of the necessity for the same. The District
Medical and Sanitary officer Madura, having
subsequently pointed out the G. O. under which the
compounder is entitled to the increase, the Council
sanctioned the same in its resolution quoted above.
I therefore request that Government will be pleased
to accord sanction for the same.

The usual proposition statement is herewith submitted.
