Through the Divisional Office

In Submitting herewith an extract from the proceedings of the Municipal Council for the town of Ellon dated 6th September 1897. I have the honor to state that there are already 16 scavengers and 40 are engaged in clearing private latrines, under contracts with the Municipality and nearly 500 latrines are being thus

daily attended to by them. Each
Scavenger is allotted about 35 latrines.

2. During the current year we have
received about 70 new applications
up to date in the same connection
and consequently the present establishment
is insufficient and two more scavengers
have to be entertained at Rs 5 per month
to cope with the increased work.

3. In anticipation of Government
Sanction I have appointed two additional
Scavengers from 7th instant and
have been working them as otherwise
the work may suffer and the applicants
may express their dissatisfaction by
withdrawing their applications.

4. Under these circumstances
I request that you will be good
enough

Good enough to convey the early
Sanction of Government to these
arrangements.

5. The proposition statement is
herewith submitted.

I have the honor to be
Sir,
Your most obedient servant
