FURTHER PAPERS.

G.O.	No.	Department.	Date.

Municipal Office Mangalore
Dated 9th October 1899

From Mr. R. V. De Kengamada Municipal
Chairman Municipal Council

To The Secretary to Government
Local and Municipal Department
Madras.

Sir, With reference to the request
of Government in paras 4 (2) & 4 (4) of
G.O. No. 1162 M, 14.8.99, I have the honor to
state as follows:-

- It appears that a sessional school
was conducted by the inspecting
school master during the year under
report, but as the fact was not brought
to the notice of the Council by the
Educational authorities, no mention
was made of it in the report & no
payment was made on account
of it. The grant of a bonus of Rs

2. 10 to the Inspecting school master
for working the school as a hospital
recommended by the Assistant
Inspector of schools, but no provision
having been made for it in the
budget or in the Revised estimate,
the recommendation was not given
effect to. It has however been
included in the revised estimate
for the current year by the Assistant
Inspector.

As regard the decline in the number
of successful vaccinations
during the year, the Inspector &
the Civil Apothecary attribute
it to the inferior quality of the lymph
supplied by the Tanjore Central
Vaccine Depot. Indeed the complaint
about this lymph is being repeated
year after year & hopes were enter-
tained in the beginning of the
year under report that the
obtaining of lymph from Bangalore

obtaining of lymph from Bangalore
recommended by the Sanitary
Commissioner would set matters
right. But as things happened,
the Bangalore supply became a
dream & the Commissioner was obliged
to resort to Tanjore knowing full
well that the quality of the lymph
manufactured there was not all
that could be desired. In fact
that there would be a large number
of failures in vaccinations performed
with the lymph was a foregone
conclusion. I may however state
in this connection that it is proposed
to revert to calf to arm (direct)
operations in the next year.

I have the honor to be
Sir,
Yours most obedt servant
Rangnath Pillai
Chariman.
