Deputy Collector in Charge of Treasury,
Salem

To.

The President, District Board, Salem.

Sir,

With reference to your endorsement Reference
on No. 833/L.F. dated the 27th May 99 on the
memorandum of remarks of the Assistant
Inspector of Local fund Accounts on the
inspection of vouchers for charges incurred on
account of plague for the period from August
98 to January 99, I have the honour to state
as follows.

2. The Assistant Inspector has in his
memorandum suggested the desirability

of reauditing all the plague vouchers, if considered necessary by the District Board, with reference to the instructions therein given by him. But the Accountant General has, in his circular No. IV dated the 3rd July last. L.F. Department, Communicated with your endorsement No. 1054/L.F. dated the 14th Idem, issued certain instructions for the future Audit of plague vouchers and has directed that these instructions should be applied with retrospective effect in the case of charges falling under the heads "Establishment" and "Works".

3. I beg to submit that it will be difficult for the existing Audit establishment to give effect to the instructions of the Accountant General without extra assistance. Ever since the outbreak of plague in this district in August 98 there has been a steady increase in the number of Vouchers for audit, especially under the District Board, as will be observed from the figures given below:—

Month.	Number of Vouchers under the District Board.	
April 98.	129.	
May "	122	
June "	141	
July "	110	
August "	153	655

Average per month. $\frac{655}{5} = \underline{131}$.

Month.	Number of Vouchers under the District Board.	
September 98.	172	
October "	188	
November "	220	
December "	215	
January 99.	294.	
February "	251	
March "	341	
April "	267.	
May "	282	
June "	201	
July "	231	2662

Average per month. $\frac{2662}{11} = \underline{242}$.

From the above it will be seen that there has been an increase of 111 vouchers on an average per. month from September 28 and as the audit of these plague vouchers, especially of those relating to "Establishment" and "works," takes up more time than that of ordinary vouchers, the actual increase of work is not to be measured by the increase in the number of vouchers alone.

4. Owing to this extra work, the audit clerks could not spare time for the complete inspection of all the Taluk Boards, union and Special Fund Accounts in the District (vide article 623 of the L.F. Code) and effected out of 48 institutions were left uninspected last year. In the current year also, only 5 institutions have been inspected till now. Plague has already broken out again in certain parts of Hosur Taluk and there is every probability of the existing plague establishment being continued.

5. In these circumstances I request that you will be good enough to obtain the sanction of Government for the entertainment of an additional temporary hand on Rs. 35 per. mensem for one year. The clerk so entertained may be entrusted with the duty of —

(1) Reauditing all the plague vouchers of past months relating to "Establishment" and "Works" with reference to the instructions of the Accountant General.

(2) Auditing all the current plague vouchers.

(3) Issuing monthly objection statements on

H on plague vouchers and taking prompt measures
be for the adjustment of objected vouchers.
p. (4) Maintaining establishment, Contingent and
a travelling allowance audit registers for plague
o expenditure; and
"w (5) Attending to the whole correspondence in
or connection with the above.
w It will not be out of place to mention here that
in a full time clerk is attending solely to the passing
H. of bills and other work in connection with plague
Co in the District Board's office. In the same way
n the above mentioned five items of work will
fully occupy the time of the new clerk.
