No. 2

An Extract from the Audit
Notes Madura Municipality
for 1897-98

Extract from the Credit Voucher of the
Madura Municipality for 1897-98.

57. In the following Case the
number of Sanitary Inspectors employed
was in excess of the sanctioned scale, &
unless the excess is covered by Compulsory
Sanction, the Charge cannot be admitted.

Voucher No 241- 11 against 10.
58. An establishment consisting
Rs 10/- per annum was sanctioned
from the 1st April 1897 to the 10th February 1898,
in connection with the pumping station,
and another of 2/- per annum throughout
the year for the water works at Myy-
mantapam. As there is excess of the
fixed scale the sanction of Government
is necessary for their entire maintenance, and
it is requested that this be now obtained.

59. In connection with the Chitra-
festival, Over time allowances were paid
to the pumping station establishment,
and P.W. Quaker, as well as to certain
maistries and mile coolies, Vide Voucher
Nos 116 & 158 for Nos 38-7-10 and 48-12-a respect-
ively. I think this inadmissible under

Article 88(a) Civil Service Regulations, which lays down that an officer may be employed in any manner required by proper authority within his own branch of duty, without claim for additional remuneration, whether the services rendered are such as would ordinarily be paid for from Imperial or Provincial revenues or a Local Fund.

So. Similar remarks apply to the payment of Rs 7-2-0 on Voucher no 672 to the P.W. Officer Secr on account of overtime conveyance allowance at the rate of banna a day for 12 days for special duty in connection with road repair work and to the payment of Rs 19 on Voucher no 552. In all these cases the sanction of Government should be obtained to the admission of the amounts in Audit, if it is not considered advisable to recover them.

It appears from the statements forwarded to the Accountant General with reference to his circular dated 4th November 1897, that the following plague inspectors were entirely omitted from the dated names

named against each, to the end of the year. Under Government Order No 1112 dated 19th January 1897, the Chairman should have merely deputed one of the permanent staff, but there is no authority for the entire payment of any additional hands in consequence thereof and the sanction of Government should now be obtained for these appointments.

- 1. Inspector on Rs 15/- from 1-10-97.
- 1. Sub-Inspector on 10/- from 15-11-97.
