No remarks

The Services of the Special Deputy-
 Tahsildar are said to be still required - The
 reasons urged for his Continuance are
 (a) that Puntakal is an inspection station,
 (b) that there is plague in the Bombay
 Presidency,
 (c) that the inspecting officers feel
 considerable difficulty in enforcing plague
 rules, especially on passengers who are
 railway servants.

As regards (a) if this reason is admitted,
 every other inspection station also must have
 a Special Deputy Tahsildar. But all the
 other inspection stations manage without
 one. Puntakal had originally a Special
 Sub-magistrate who was transferred to
 Tungabhadra when the inspection was
 abolished at Puntakal. But this appointment
 was soon abolished as it was found that

Recd from
 16/10

the Sub magistrate had absolutely no work -
vide P.O. no. 791 P 3 12-8-98.

As regards reason (b) its force is not
understood.

As regards reason (c) Arkonam seems
more important and to contain more
railway officials than Guntakal, but it
manages without a Special Deputy Tahsildar.

At present only the trains from Hosur
and Hindupur are examined at Guntakal
and it is not clear why passengers should
give more trouble at Guntakal than at
other Railway inspection Stations or why
if any obstruction is caused, it should not
be dealt with by the police posted at the
station as at other places.

2. When plague broke out in Footy
Taluk, a Special Deputy Collector was
posted to Anantapur Dt. to assist the
Collector - vide P.O. no. 1256 P 3 6-10-98.

It spread subsequently to Hindupur Taluk
and a Special Deputy Tahsildar was
sanctioned - vide P.O. no. 519 P 3 2-2-99.

But the Collector found it convenient
to transfer the Deputy Collector to
Hindupur and the Special D. Tahsildar
to Footy - vide Collector's report received in
P.O. no. 755 P 3 17-3-99. When plague
ceased, the D. Collector was withdrawn and

The retention of the Sub
Magistrate is, it is submitted
unnecessary unless plague
comes again.

and the Special D. Tahsildar should
also have been removed. The latter
has however been retained in connection
with the inspection at Guntakal - a
purpose for which he was not sanctioned
and for which he is apparently not
required. The Secretary has said that
the Deputy Tahsildar at Guntakal
may continue for the present. This
was on the 10.6.99.

I think he may now be
abolished.

3. The Collector asks for sanction
for certain police establishments.
The list received from the Inspector
General of Police shows that all the
men on plague duty in Anantapur
have been supplied from the D. Strong.
In case any extra men have been
specially entertained on account of
plague, the Collector may be informed
that he should move the Inspector
General to apply for the necessary
sanction of Government.

4. As regards the other establishments
for which sanction is applied for, the
Collector may be referred to
Additional Municipal Regulation 28
and forward the necessary applications.
