TO

His Excellency Sir Arthur Havelock G.C.M.C.G.I.E.
Governor in Council, Fort St. George,
MADRAS.

The humble petition of (1) Arabsa alias Sickandar Khan Kabuli, (2) Court peon Silayaman Sheriff Sahib, (3) Pension Sepoy Muthusamy Pillai and (4) Private Vakil Kuppusamy Naidu, residing in Karimsa Pallivasal street, 9th Ward, Madura Town.

MOST RESPECTFULLY SHEWETH,—

1 That the Petitioners, residing in Karimsa Pallivasal street, beg most respectfully to bring to your Honor's most benign consideration the fact that a public latrine exists so close as 5 feet from their houses. It is needless for petitioners to state what are the consequences of the above latrine. The affluvia arising from the latrine is unbearable and dangerous to health, especially during the rains and last not least what will be the result of this latrine during the time of Cholera, can the cleansing of the latrine twice a day be of any good of removing the poisonous air that arises immediately it is deposited during the intervals. There is a circular issued by the Municipality that during the out-break of Cholera that all houses should be whitewashed and kept clean. Any one not observing this order will be prosecuted. What is the good of this circular when a public closet is allowed to exist at their very doors. Petitioners have on several occasions petitioned the Municipality but they have not taken steps to remove the latrine.

2 That a Mahazar signed by about 150 of the tax payers was presented to the Collector, Chairman, Superintendent of Police, Sanitary Commissioner Madras regarding the removal of the latrine and the District Medical and Sanitary Officer, has made personal inspection of the spot and has ordered its removal.

3 A petition was presented to the Collector in person by the petitioners and the Collector endorsed on it that he has already given his opinion to the Municipal Secretary and it will be decided at their meeting. On the endorsement of the District Collector the Secretary and the Sanitary Inspector of the Municipality inspected the place and selected a new site for a latrine and endorsed that the present latrine is not safe to health and its removal is necessary. But at the meeting of the Municipal Council held on the 13th September 1899 it believed the Councillors were in favor of removing the latrine. To the misfortune of the petitioners the Chairman differed saying that the latrine will be cleaned twice a day and rejected their petition.

It is therefore prayed that your Honor will be graciously pleased to inspect this horrible site and take the petitioners most pitiable case into your kind consideration and have the latrine removed.

For which act of great kindness and charity petitioners shall as in duty bound ever pray.
