Issuing passports by Police Constables

FOR ORDERS.

Ref- B

In P.O. No. 12279 of 11-5-99, the recommendation of the Collector of Salem to depute certain Police Constables for patrolling certain tracks leading from the Mysore frontier was sanctioned. The Collector also proposed to entrust to these Constables the duty of issuing passports to the arrivals by the forts. This was not approved of. He now requests that the Constables may as a special case be authorized to issue passports for the following reasons

- (1) that the Village Munsiffs who have to issue passports are either illiterate & cannot issue them without the help of the Karamams or live at a distance ^{out of the way} from the scene of the Constables' posts
- (2) that it is inconvenient for travellers to be taken several miles out of their way to the Village Munsiffs

municips for the purpose of being transported
and (3) that the employment of a special
agency for the purpose of issuing passports
involves considerable unnecessary
expenditure.

A Special Sanitary Inspector is said to move
constantly along the paths frequented by the
Constables, supervising the work of the
Constables.

As a special case I think
Constables here may be
allowed to issue passports
unless Jnd. Dept. objects

SALEM COLLECTOR'S OFFICE,

FROM Robert B. Clegg Esq.,
Collector and District Magistrate,
Salem,

To THE SECRETARY TO GOVERNMENT,
Local & Municipal DEPARTMENT,
Madras.

SIR,
With reference to G.O. No. 1227
P. This
dated 11th August 1899 that Police
Constables should not be authorized
to issue passport, I have the honor
to state that the village munsiffs in
these cases live at some distance
in other villages within their jurisdiction
or they are illiterate and cannot
issue passport without the help
of the Kurnam. For instance at
Kongainpatti on the track marked
A the village munsiff lives at
Biddimathu and the village of his
taraf 3 miles from it. As regards
track B from Gudipalli, the same
man is the Village munsiff of
Kammalanayari K. This. It will be

inconvenient for travellers to be taken
 several miles out of their way for
 the purpose of being passported,
 and they cannot be trusted to take
 out passports in the villages they
 arrive at. To employ a special
 agency for the purpose of
 issuing passports will entail
 considerable and I think unnecessary
 cost. I request, therefore, that
 as a special case, the Police Constables
 on the tracks referred to may be
 authorised to issue passports.
 There is a special Sanitary Inspector
 appointed to constantly move about
 along these tracks and supervise
 their work and I have not received
 yet any complaint against them.
 The map is enclosed for reference
 and favour of return.

I have the honour to be
 Sir
 your most obedient servant

Richard Collins
