Copy of Communication No 24 J/94 March
M.R. ^{avt} C. H. Aige. to the Dy

In continuation of my letter dated the 18th January 1899 No 12; I have the honour to inform you that I am unwilling to part with the land required for the proposed path-way only, and to retain the rest of the land belonging to me, as the same would be injuriously affected by the opening of the proposed pathway. I understand that the injury to my land might be avoided by opening the path-way in the land of the person from whom the latrine site was purchased. I therefore object to the opening of the path-way in my land. If, however the Government decide to take the land under the Act, I request that not only the land required for the pathway but the whole of my land in the locality may be taken up under the Land Acquisition Act.
