READ—the following paper:—

From M.R.Ry. Diwan Bahadur R. V. SRINIVASIAH Avargal, Acting Collector of Anantapur, to the Secretary to Government, Local and Municipal Department, dated 21st October 1899, Cur. No. 2091-P.

I have the honour to request to be informed whether Marmagao (Goa) on W. I. P. Railway line is to be regarded as infected with plague.

By the recent Government notification the whole of the Bombay Presidency is declared infected with plague, and I feel doubtful whether Marmagao is included in it or not.

ORDER—No. 1587 P., dated 1st November 1899.

The Government considers that Goa should be treated as part of the Bombay Presidency for the purposes of the Plague Regulations, and passengers coming from there should be dealt under the passport rules. Of course, as is the case elsewhere, passengers who merely pass through Goa from non-infected places, not sleeping there, should not be treated as having come from an infected locality.

2. It is not clear what recent notification the Collector refers to. The whole of the Bombay Presidency was first declared infected in G.O., No. 397 P., dated 27th April 1898.

ORDER

No 1584 P 31-11-99

The Government considers that Goa should be treated as part of the Bombay Presidency for the purposes of the Plague Regulations, and passengers coming from there (but not those merely passing through) should be dealt under the passport rules. Of course, as is the case elsewhere,

no body is treated as coming from a place if he merely passes through it.

passengers who merely pass through Goa from non infected places, not sleeping there, should not be treated as having come from an infected locality.

2. It is not clear what recent notification the Collector refers to. The whole of the Bombay Presidency was first declared infected in G.O. No 397 P. of 27-4-98.

Question as to whether Mormugao is to be regarded as within an infected area.

FOR ORDERS.

It is not clear what "recent notification" the Collector refers to. The whole of the Bombay Presidency including Sind is being declared by this Govt to be infected since April 1898 - vide G.O. No 397 P dt 27-4-98.

2. ~~For~~ Mormugao is a port in Goa, which is on three sides surrounded by plague. No reports of plague in Goa itself have been received, but it seems safe considering its close connection with Bombay & the Bombay Deccan Districts, it seems safe to declare that persons coming from Goa should be treated as coming from infected area. Through passengers, say from S. Canara passing

passing through Goa may be excluded

27/10/88 Mormugao. Certainly if he  
declared infected - Bombay  
people can go into Goa and stay  
there a day or two before starting on  
journey - It would be sufficient  
to say that for purpose of the Plague  
Reg. Mormugao is to be treated as  
part of Bombay Presidency.
