Sir

With reference to the
Proceedings of the Government Local
Municipal No 1153 of 28 Sept 98
relating to the Station Hospital
I have to inform you that
the Station Hospital is situated in the
village of Poonamallee, 12 miles
from the town of Poonamallee, and
is situated on the bank of the
Poonamallee River. The area of the
hospital is 100 acres, and the
building is 100 feet long and
50 feet wide. The building is
situated on a hill, and the
view from the hill is very
fine. The building is very
large and comfortable, and
is well suited for the
purpose of a hospital. The
building is situated on a hill,
and the view from the hill is

With reference to Min. 1
from the Ag. Collector, I have the
honour to bring to your notice that
the Hospital Assistant at St Thomas
Mount who is performing similar
duties to mine & whose salary is
Rs 25 a month is drawing a plague
allowance of Rs 5 or 20% on his
salary.

2. The decision of Government re-
ferred to, only applies to Commissioned
Officers, whereas in Madras Govt
Order No 1153 P. Local Municipal
dated 23 Sep 298 it is stated that
"No officers except medical subor-
dinate are entitled to any
additional

additional allowance for performing
in plague inspection duties in
addition to their own. Under this
ruling an allowance equal to
1/5 of salary was allowed.

3 Under these circumstances, I
request that you will kindly
resubmit my application for
an allowance to the Collector
of the Chingleput Dist. in favour
of reconsidering my claim.

The Ag Collector of Chingleput
Saidapet

In asking you to send on the
correspondence to the Govt of Madras, I have
the honor to state that Asst Surgeon Bay is
fully entitled to an allowance by the provisions
of Proceedings of the Govt Local & Municipal
No 1153.P. dated 23rd September 98 & as a
precedent I can refer you to the case of a
Hospital Assistant working under Major
Maidment I.M.S at St Thomas mount who
is drawing 1/5 of his salary as an allowance.
Asst Surgeon Bay has attended to the whole
of the correspondence in connection with
plague travellers, he has frequently to examine
travellers and sign their passports at all
hours of the day.

2. The medical Officer in charge of this
Hospital has been deputed by Govt as
an Inspecting Officer, but I do not think
it was the intention of Government that
he should also attend to the clerical duties
connected with this inspection, in fact it
would not be possible for him to do it.
Assistant Surgeon Bay has attended to
all this work which is entirely outside
his legitimate duties, under the conviction
that he was entitled to an allowance and
I therefore request that an allowance may

be granted him. otherwise I will be

COLLECTOR'S OFFICE,

FROM

AG COLLECTOR OF

Chingleput District.

THE SECRETARY TO GOVERNMENT,
Local and Municipal DEPARTMENT,
Madras,
Through The Accountant General, Madras.

SIR,

I have the honour to submit the following for the -
favour of orders.

2. Mr. T.A. Bay, 1st Class Assistant Surgeon in subordi-
nate charge of the Station Hospital at Poonamallee applies for
the Plague allowance prescribed in G.O. No. 1153 P dated 23rd
September 1898 on the ground that since January last he has
examined all arrivals from plague affected areas, ^{and} signed their
passports besides doing other miscellaneous work which has -
entailed a heavy addition to his clerical work.

3. The G.O.s Nos. 1153 P dated 23rd September 1898 and
7 Pub. dated 3rd January 1899 restrict the grant of such allow-
ances to officers "whose additional plague work, such as that
of the inspection of passengers by road or railway, is entirely
separate from and outside the sphere of their ordinary duties".
The observation of the passengers at his hospital, noting the
result of the observation on the passports and in exceptional
cases the observation of the passengers at their private resi-
dences does not appear to me to be entirely separate from and
outside the sphere of the ordinary duties of a medical Officer
within the meaning of the orders of Government above referred
to and I would also venture to remark that the extra work thrown
on Mr. Bay has been somewhat exaggerated.

NOTE FOR THE Chief Secretary.

This is an application from Asst Surgeon Bay - in sub charge of the Station Hospital Poonamallee. - He applies for local allowance for Plague duties alleged to have been done in addition to his legitimate work. The case is quite parallel to that of Major Allport whose application was refused in G.O. 627 P of 28/4/99. It is subm^d that the duties in connection with plague done by Mr Bay must be viewed as "ordinary & legitimate work" & that no case has been established which would entitle him to the Plague allowance. The ^{draft} order on docket below may, therefore, be counter initialled.

See para 4 of India's letter on page 4 of G.O. 1153 P of 23.9.98

1056
28/10/99
Mr. 30/10/99

4. The extra duty to which Mr. Bay alludes ^{being} what almost every medical officer in charge of hospitals and dispensaries in the district has to do, I am unable to see any special reason for treating Mr. Bay's case differently and I cannot support his application. The Government in its Proceedings No. 627 P Mis. dated 28th April 1899 disallowed a similar claim made by Major Allport in similar circumstances.

5. As however the officer in charge of the Station Hospital Poonamallee desires a reference to Government, I beg to forward the correspondence for orders.

6. It should perhaps be stated that Mr. Bay has quoted the case of a Hospital Assistant employed in the Station Hospital, St. Thomas' Mount who it appears is receiving some extra allowance. That allowance however is not the allowance contemplated in the G.O.s quoted for it does not appear in the Plague Budget or returns of the district.

I have the honour to be

Sir,

Your most obedient servant.

W. C. G.
AG Collector.

Int. St. George,
Accountant General's Office,

Forwarded to Government.

2. In the circumstances stated by the collector Mr Bay's claim seems untenable.
