SUBJECT.

Complaints regarding the working of Plague Regulations.

~~FOR~~ ORDERS. No 1600 Price 4-11-99

~~As per margin~~, there is ~~no~~ no medical inspection of passengers at Peramboor but only the issue of passports to persons arriving from plague infected places. For the performance of the latter duty, the presence of a European medical officer is not required, and the Government does not see the necessity for the issue of the order suggested by Mr. Thornhill.

As regards prosecutions under the Plague Regulations in the City of Madras, there have, no doubt, been irregularities & carelessness, and the attention of the President, Municipal Commission has already been drawn to the matter. He is responsible for plague administration in Madras & the G. in Council sees no reason to withdraw from him the power of directing prosecutions.

To the Secretary to Government
Plague Department.

Sir

I beg to invite the attention of Government to the fact, that the Plague-Surgeon at Pesamburs does not visit the most important train of the day: the mail-trains arriving from the N.W and S.W. both about day-break. The work is left to medical subordinates, chiefly Natives, whose tendencies to imprudence and oppression are unchecked by the presence of any European Officer.
