With reference to the order
of government noted in the margin that
inoculation should be made only in places
where there are Commissioned Medical
officers, I have the honour to state that
I have had requests that Doctors Thomas
and Beil should inoculate and to
recommend, therefore, that they may be
authorized to perform the operations and
be supplied with the necessary appli-
ances & serum. People in Salem and
Tirupattur have asked me what arrange-
ments have been made for inoculation.
The Subcollector informs me the people
of Hosur are praying for inoculation.
The District Traffic Superintendent
wishes the Railway staff at Jalaspet
to be inoculated. At present only
the District Medical and Sanitary
officer has government authority
to inoculate and I am unable to

A special officer who has had experience in insulation would, of course, be desirable if any one is available.

Endorsement No. 242 of 19-10-98.

Forwarded to the Sanitary Commission. There is no objection whatever to Dr. Brit and Dr. Thomas insulating if they can be provided with serum. In anticipation of Government orders any medical officer above the grade of Hospital Assistant may be deputed to insulate, if the Sanitary Commission agrees. He is requested to issue orders accordingly.

GOVERNMENT having cancelled the order requiring that Commissioned Medical Officers should alone be permitted to use Mons. Haffkine's anti-plague serum, undersigned will in future issue serum on indents to all Medical Officers above the grade of Hospital Assistants, provided these have the approval (as shown by his countersignature) of the District Medical and Sanitary Officer in cases where Medical Officers are subordinate to them.

2. All who undertake inoculation are particularly requested to follow correctly the printed directions which accompany each box. Specially formed aseptic syringes are to be obtained on indent from the Sanitary Commissioner, or on purchase from Mons. Haffkine, the Laboratory, Mayagaon, Bombay.
