As observed by the
Collector in para 2 of his Endorse-
ment, the temporary establish-
ment proposed by the Munl
Council appears to be more
than is necessary. It will be
sufficient if a clerk on Rs 10 and
a peon on Rs 6 per mensem
are employed for the work
referred to and the entertain-
ment of these men is sanctioned

Through the Divisional Officer

Sir

In confirmation of this office letter
to R.C. 50 of 99 dated 25.7.99 and in
reference to G.O. no 106 M. H. dated 7th
August 1899 I have the honor to inform
you that the Sub Committee appointed has
has joined the House tax with reference to
two houses and fluctuating rentals for the
current year and increased the same by
about Rs 500. However the systematic
revision of the assessment leviable on the
entire collection of houses has yet to
begin, but that can be given of

16/5/99

to carry Section 16 of the Act only
next year.

2. On 21st August 99 I received a letter
from one of the members of the Sub-Committee
requesting, in connection with the work of
revision sanction to entertain a special
establishment consisting of two clerks
on Rs 15 and 10 per mensem, one mutela on
Rs 10 per mensem for maintaining the house,
and one peon on Rs 8 per mensem with
contingent charges of Rs 36 per month
for 4 months from 15th August to
15th January next. The grounds urged
by him are that the houses were numbered
some 30 years ago and during that interval
some have altogether disappeared. The
municipality relies solely on the remarks
of the Bill Collectors as to whether any
houses to which numbers are assigned
are in existence or not. Absolutely no
check has been exercised all these years
and hence all the houses have to be

systematically renumbered. He confidently expects
that by this thorough procedure the tax will
amount of an increase amounting to Rs 3000
which amply justifies an expenditure of Rs 300
as at present estimated.

3. The subject was placed before the Council
at its meeting held on the 6th Instant
and the enclosed resolution was passed
sanctioning the special establishment from
15th August.

4. The existing establishment has before it
sufficient work to grapple with, in collecting the
current demand, and moreover and cannot be
burdened with any more additional duties.
The preparation of a complete set of registers
containing detailed information regarding
the 5360 houses in the town and the marking
process will furnish sufficient occupation
to the establishment proposed to be
entertained for a period of 4 months.
It may be noted that the Sub-Committee
intend to measure the dimensions of

however not let out to go to be in a position
to form a correct judgment as to the
situation and thus the much and few will
fitly come in for their proper functions.

5. I have the honor therefore to
request that you will be good
enough to convey the early sanction
of Government to the Council's
arrangements. The establishment
will be entertained from the 15th
of this month subject to the sanction
of Government.

6. The proposition that the act is
herewith submitted.
