MUNICIPAL OFFICE, TIRUPATTUR.

Reference on No. 534

Dated 24th October 1899

From

L. K. C. Ranganada Sadasia Aungel
Chairman, Municipal Council,

LOCAL & MUNICIPAL DEPT. TIRUPATTUR.

To

The Secretary to Government

Local and Municipal Department,

MADRAS.

THROUGH THE COLLECTOR OF SALEM.

Sir,

And the Divisional Officer

Tirupattur.

I have the honour to state that arrivals from Orissa and intimation for the persons coming from infected area have considerably increased. The observation staff consisting of only one Circle Inspector at present is found inadequate. The number of defaulters to be produced is very large and one man cannot do the work without delay. The object of observation would be frustrated if defaulters were not produced the very next day. The Council therefore at its meeting held on the 27th September 1899 sanctioned the appointment of an additional Circle Inspector

on 107 from the 16th September 1899.

I therefore request you will be so good as to obtain the sanction of Government for the appointment of the same.

2. The pay of the Circle Inspector will be met from the allotment made for Epidemic Charges.

3. It may also be noted that Passports having been since ordered to be recovered here when the party goes back to an infected area the services of the additional Circle Inspector are required to find out the next day if the party has actually left the town and if not to produce him for observation again. Cases of the kind have occurred and the parties when caught, since some excuse or other for staying away or postponing the journey. If left undetected at once the observations period may lapse.

A Copy of the Council's Resolution together with the proposition statement accompanies.

I have the honor to be, Sir,
Your obedient servant,
Chairman
