Sir,

With reference to your letter
No 102 of 29th June 99, I have the honor
to invite your attention to the con-
cluding portion of my letter No: D 362/m
and to request that necessary steps
be kindly taken to get the required
sanction of Government for the increased
rate of pay due to Compounder Fakeer
Saheb. It is very hard that the
Compounder should lose for nearly
a year the increment that he is
legally entitled to for no fault of
his and for an unfortunate mis-
take that has crept in through

a

a clerical error, for in my office copy Rs 144 appears as the proposed amount for the current year and the Government order which regulates the pay of these men is very clear and after a period of 5 years service they are bound to be paid at the enhanced rate whether there is provision in the budget or not. I therefore request you will kindly take necessary steps to get this compounder his pay at the increased rate of pay of Rs 12 per mensem.
