Municipal Budget.

Reviewing the Kodaikánal — for the second half of the year 1899–1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following papers :—

From L. A. Cammiade, Esq., Chairman, Municipal Council, Kodaikánal, to the Secretary to Government, Local and Municipal Department (through the Sub-Collector and Collector of Madura), dated 9th October 1899, No. 8.

I beg to submit the budget estimate of receipts and expenditure for the Kodaikánal Municipality for the half-year ending 31st March 1900.

2. The estimate of receipts under 2. Municipal Rates and Taxes is based upon a rough census. It is expected that not more than Rs. 50 could be realized from the servant's tax during the current half-year as the season for visitors has come to an end and will not begin again until April next.

3. The sum of Rs. 900 shown as contribution from Government under 5 (*a*) (ii) Medical is the pay of the Civil Apothecary at Rs. 150 per month.

4. A grant of Rs. 750 has been applied for in this office letter No. 5, dated 9th October 1899, in order to enable the Municipality to obtain the necessary sanitary appliances. The item will have to be disallowed if the grant be not sanctioned.

5. The third item shown as grant from Government is the sum of Rs. 2,000 allotted in G.O., No. 1171 M., dated 16th August 1899.

6. Rs. 60 under 5 (*b*) (ii) Contribution from Local Boards is half the contribution that hitherto has been made for medicines.

7. Under 5 (*b*) Contributions from Local Boards is shown a sum of Rs. 500, Rs. 250 from the District Board, which has leased out for the year 1899–1900, the toll-bar at Shembiganur which is situated within the municipal limits, also Rs. 250 from the Taluk Board as an allotment out of the total amount of house-tax collected by the Kodaikánal union for the year 1899–1900. The Presidents of the District and Taluk Boards have respectively been addressed with this view, but it is submitted that, under the provisions of section 27 of the Act, the sanction of Government is necessary for the transfer of these sums to the Municipal Council.

8. The details for the establishments under Grant 1, Public Works, Grant 3, (i) Hospitals, (4) (*a*) Registration, 5 (*a*) (i) Conservancy, Grant 4, (2) (i) (*a*) Markets, Grant 5, (*a*) (i) General establishments, are given in a proposition statement submitted with this office letter No. 6, dated 9th October 1899.

9. The estimate of Rs. 300 as cost of medicines and supplies under Grant 3 (i) (*b*) is the cost of the supply for a whole year, the indent for the medicines necessary for the next year having already been submitted.

10. No separate establishment is proposed for vaccination as the Civil Apothecary undertakes to do the work.

11. An allowance of Re. 1 a month is proposed to the village munsif of Kodaikánal to register births and deaths. The population of Kodaikánal at the last census was only 1,873.

12. The sum of Rs. 750 under Grant 3, (5) (*a*) (ii) Conservancy, is reserved for the cost of rubbish cart, night-soil buckets, &c., which will be purchased if the allotment prayed for in the letter referred to in paragraph 4 above be granted.

Dis. No. 801-D.

Forwarded.

2. In paragraph 7 of the Chairman's letter, it is stated that a sum of Rs. 250 is to be recovered from the Dindigul Taluk Board on account of tax on buildings. This item should, I think, have been shown under 2 (*b*), statement I.

3. From the same paragraph it appears that a sum of Rs. 250 is to be recovered from the District Board on account of tolls. This should have been shown, I think, under 2 (*h*) of statement I.

4. This contribution to be recovered from the District Board is for the *current* half-year. The amount mentioned in paragraph 2 of this endorsement is for the whole year 1899–1900.

5. No provision is made for tax on lands under 2 (*c*) of statement I as it cannot be levied for the current half-year under section 66 (3) of the Act.

6. 2 (*k*) of statement I should have been entered as 2 (*j*) after 2 (i) (viii). This tax is to be levied under section 96-A of the Act.

7. Round figures should have been adopted throughout both statements I and II.

8. When I was at Kodaikánal at the end of September, I discussed the matter of taxes, etc., with the Chairman, and the figures herein shown were approved by both of us.

(Signed) M. YOUNG,
Ag. Sub-Collector.

12th October 1899.

D. Dis. No. 1905-Revenue.

Submitted.

2. The taxes on buildings and lands cannot be levied during the current year and no receipts under the heads are therefore expected. The income from all other available sources for the second half of the official year has been taken credit for in the budget. The low figure against "Tax on servants" has been accounted for by the Chairman.

3. The entire salary of the Civil Apothecary at Kodaikánal is met from the Provincial fund, and a sum of Rs. 900 for six months at Rs. 150 per mensem has been accordingly entered as contribution from Government. In addition to this the Government usually pays Rs. 120 towards the cost of medicines, but as for the current year it appears the amount has been already paid to the Taluk Board of Dindigul, a sum of Rs. 60 on this account is expected as proportionate contribution from that body. But if the Taluk Board has already supplied the medicines to the dispensary which is now brought under the control of the Municipality, this amount cannot be claimed. HM

4. The toll-gate at Shembiganur has been leased out by the District Board for Rs. 760. The Chairman expects a contribution of two-thirds of half that sum, *i.e.*, about Rs. 250, as toll contribution for the municipal share. But the District Board has in its proceedings, No. 112, dated 16th October 1899 (copy enclosed), resolved to maintain all the roads within the Municipality up to the end of this year and not hand over any portion of the toll receipts. The amount expected by the Chairman under this head may therefore be omitted.

5. The Council expects Rs. 24 as contribution from the District Board under "Vaccination". In this office report to Government, Dis. No. 1-Camp, dated 7th May 1898, it was contemplated that the services of the vaccinator to be employed by the Municipality might be utilized by the District Board for vaccination work in some of the outlying hill villages also and on this account it was under consideration to ask the District Board for an annual contribution of Rs. 48. But the Council having now resolved not to employ a separate vaccinator as it expects the civil apothecary to attend to vaccination work within the Municipality, the District Board will be under no obligation to pay any contribution. The sum of Rs. 24 taken into account by the Chairman may be omitted.

6. For reasons mentioned in paragraph 4, no expenditure need be provided for by the Council under Grant 1 for the current year. The allotment of Rs. 726 may therefore be deleted.

7. The Chairman has not forwarded copy of the municipal proceedings approving the budget. His attention has been drawn to the omission and the Council's proceedings will be forwarded as soon as received.

Madura,
20th October 1899.

(Signed) L. E. BUCKLEY,
Ag. Collector.

From L. A. CAMMIADE, Esq., Chairman, Municipal Council, Kodaikánal, to the Secretary to Government, Local and Municipal Department (through the Sub-Collector and Collector of Madura), dated 9th October 1899, No. 6.

I beg to submit for sanction a proposition statement of establishment considered necessary by the Municipal Council for the Kodaikánal Municipality.

2. In anticipation of sanction the following establishment has been entertained :—

One clerk at Rs. 16 per mensem, rising by monthly instalments of Re. 1 to Rs. 20.
One untrained sanitary inspector at Rs. 12 per mensem.
Three scavengers at Rs. 9 a month each.
Four sweepers at Rs. 8 a month each.

I beg that these appointments may be approved of.

3. The Sanitary Commissioner has been addressed for recommendations regarding the entertainment of a trained sanitary inspector. The services of the present untrained man will be dispensed with as soon as a trained man has been secured.

Dis. No. 802-D.

Forwarded.

2. When I was at Kodaikánal at the end of September, I discussed with the Deputy Tahsildar (now Chairman of the Municipality) this matter of establishments. I think that the arrangements made, as per the enclosed statement, are sufficient for the present.

3. As regards Grant 3 (4) (*a*) Register of births and deaths, the amount provided is to be paid to the village munsif of Kodaikánal as a remuneration for this work. The village munsif did the work when Kodaikánal was a union and there is no reason why he should not do it now. The Municipality cannot afford to entertain a separate registrar and I do not think it is necessary at present.

4. As regards Grant 3 (5) (*a*) (i), the present untrained sanitary inspector is to be kept on until a suitable trained man can be found. I recommended to the Municipal Chairman to get a good trained inspector and the Chairman has accordingly addressed the Sanitary Commissioner. I think that the amount provided for a trained man, viz , Rs. 20 + 15 per mensem, will not be sufficient to keep a good trained man on the hills for more than a few months, but if it be found necessary, it will be possible to raise his salary later on.

5. No bill-collector has been provided under Grant 5 (*b*) (*i*). I think that one will be necessary at least for the last three months of the half-year on a pay of Rs. 12 per mensem.

With reference to paragraph 5 of the Sub-Collector's endorsement on the Chairman's second letter, a sum of Rs. 40 will be provided for the entertainment of a bill collector on Rs. 12, for which the sanction of Government should be obtained.

4. The budget, as revised by Government, closes with a balance of Rs. 880 or 18·6 per cent. of the estimated receipts.
