Financial Department.

Note.

Reference. — Chief Secretary's pencil query on the docket of the Local and Municipal current below.

The question of the debit of allowances to Revenue Inspectors has already been discussed in the notes in G.O. No. 1305 P, dated 1st September 1899.

The Revenue Inspectors in question are apparently to be transferred to foreign service of the 2nd kind under the Local Board as Inspectors of observation circles. Their pay will then be debitable to LOCAL - G.O. Nos. 615 and 633, Financial, dated 17th May and 18th June 1899 respectively.

The Accountant General raises no objection to this course - overlooking the fact that this procedure sets behind his classification altogether - and their allowance is to be viewed as part of the remuneration sanctioned by the Local Govt. (art. 806 (IV) (1) of the Civil Service Regulations).

It is to be observed that the Govt. of India has objected to grant deputation allowance to Dy. Collectors on plain duty. (please see page 15 of the Notes in G.O. No. 1305 P dated 1st September 1899) and that the procedure proposed in the present papers is undesirable. If the

principle is once accepted that officers can be transferred to Foreign service under Local Boards for plague duty, it will be possible to over-ride <sup>almost</sup> every rule and regulation <sup>of classification</sup> that is laid down.

*7/11/99*

I think the idea of placing the services of Govt. officers at the disposal of Local bodies for Plague duty as for Foreign Service of the 1st kind is objectionable & is quite new. I observe that the rulings of the A.G. on this matter are contradictory - and seem inconsistent. I am therefore after this paper to the A.G. again for reconsideration if L.G. has no objection.

U. O. Memo  
No. 106

As stated verbally I agree that the placing of the services of Govt. officers at the disposal of Local bodies for Plague duty is not desirable.

In the present case the man had actually been transferred to Local, and been employed by Local since Jan'y '99, vide Plague Commissioner's proceedings No. 292/21, dated 31st January '99, copy of which was forwarded to Govt. in the Financial Deptt. As Govt. had raised no objection to the employment of the Revenue Inspectors by Local, this office reported there was no account objection to the payment of the contribution for pension.

this case of placing Rev Supp

If this is accepted I do not  
think there is any need to

2. All the 8 Revenue Inspectors referred to above are officers of more than 10 years service in the Revenue Department and were selected for the Circle Inspectors' posts with the approval of the Plague Commissioner as they were by their knowledge of the customs and habits of the people, well suited for plague duty.
