SIR, CURRENT No. 1098

I have the honor to submit herewith for approval and publication in the Fort Saint George Gazette, a draft declaration under section 6 of Act I of 1894, in respect of certain plots of land measuring 95 cents in the Gunda and Yercaud villages, Sheveroy Hills. The plots are required by the Salem Taluq Board for use as quarries for the supply of metal and gravel for the upkeep of the Sheveroy's Ghat bridge path. The acquisition of the lands with their cost, viz, Rs 320-7-7 has been sanctioned by the Taluq Board at its meeting held on the 22 instant. All the owners except Venkatachela Chetti

Chetti, the owner of S. No. 3 are willing to part with their lands. Venkatachala Chetti raises objection ^{to the acquisition} on the ground that there are coffee plants on the portion required. This is not a valid objection as the price of the plants will be tendered to him. His statement is enclosed for perusal and return.

2. As the lands are required urgently in order that the road may be repaired in the proper season I request that sanction may be accorded for taking possession of them under Sec 17(i) of the Act and the notification issued accordingly.

I have the honor to be,

Sr

Yours most obedient servant

R. Venkataswami
