of Municipal Councils to enable

CURRENT No. 3470

and Municipal
Department
Madras.

Sir,

With reference to G.O. no. 2031
L. dated 22nd October 1898, I have the
honour to enclose herewith an extract
from the Proceedings passed by the
Municipal Council Chicacole at its
meeting held on the 7th November 1898.

2. I beg to represent that this
Municipality commenced the current
year with a balance of Rs 770. The
receipts as anticipated now amount
to Rs 26,590 against Rs 28,500
provided in the budget as there
has been a considerable fall under
several heads as shown in the
Statement A hereto annexed.

Yours

3470/m/98

Thus the anticipated receipts including
The opening balance come to Rs 27360.

3. The total amount of
expenditure budgetted was
Rs 28060 and it is now anticipated
to be Rs 28350 as per the statement
B herewith enclosed.

4. It is a matter of great
regret that the total amount
of charges exceeds the total amount
of receipts by Rs 990 or Rs 1000
in round number and the year
closes with a minus balance of
the aforesaid amount.

5. It may not be out of place
to mention that the provisions
originally made in the budget under
several grants have been reduced
to such an extent as was possible
for the council and the savings
effected by the reductions including
the opening balance amounted
to Rs 2900 and that sum has
been transferred to plague charges.
The transfer has been sanctioned
by the Government in its order
no. 911 P. Mis. dated 26th August 1898.

6. The reasons for the noticeable
decreases under several heads have
been fully explained in the remarks
columns of the enclosed statement A.

7. In conclusion I beg to represent
that under the foregoing circumstances,
it is utterly impossible to make any
further allotment for the Plague
charges and I venture to submit
that the council will be driven to
the necessity of reducing the provision
already made under Plague charges
at least by Rs 1000 in the revised
budget which will have to be
submitted in the next month, if
it means not to show minus balance.

I have the honour to be,

Sir,
Your most obedient servant.

SUBJECT. Estimate of plague
expenditure in the Chicacole munity in
1898-99.

FOR ORDERS.

In fo. n^o 883 Financial, dated
13th October 1898, the estimated expend-
iture on account of plague in the munici-
palities in the Ganjam District during
the current year is put down as
Rs 11,296, of which the share of the
Chicacole municipality comes to Rs 4450.
The Municipal Council of this town
provided in August 1898 a sum of
Rs 2900 for expenditure under this head
by cutting down the allotments for
works, Vide fo. n^o 911. P. dated 26th August
1898; but it now apprehends that
~~the~~ this provision will have to be re-
duced by about Rs 1000 in order to
avoid the deficit with which its accounts
for the year are expected to close, in
consequence of a fall in the receipts
under some of the heads in the budget
owing

owing to circumstances which are explained in Statement A submitted with the Chairman's letter. The additional amount which has to be provided for plague expenditure in the current year is thus (Rs 4458-1900) or Rs 2558 and the Council states that the estimates of expenditure under the several heads of the budget have been reduced as far as possible and that it is utterly impossible to make any further allotment for plague charges. As the statements of the Council appear to be correct, the Financial Department may be requested to grant an advance of Rs 2500 to the Municipality with reference to para 5 of fo. N^o 868. File dated 11th October 1898, in fo. N^o 2031 L. dated 22nd October 1898.
