DISPATCHED

27 MAR. 1899

To

The Secretary to the Sanitary Board,

M A D R A S .

Sir,

With reference to your letter No.149/S, dated the 9" March 1898, I have the honor to forward herewith plans together with site plan and estimates, for constructing a dispensary building for Women and Children at Cocanada, prepared by the District Board Engineer according to Type design No.23 issued with the Proceedings of the Sanitary Board, No.834/S, dated the 19" November 1897 and to request that you will be good enough to obtain the approval of the Sanitary Board for the same. The consent of the District Board will be obtained on receipt of the approval of the Sanitary Board.

2. In its order No.160 L.Mis., dated 29- 1- 1898 the Government said that application for the acquisition of the site in question should be made only after the plans and estimates have been ----- approved by the Sanitary Board. I therefore request that the Board may be moved to approve of the plans and estimates at an early date as the acquisition of the site will take some time longer and the work cannot be commenced until the site is acquired and handed over by the Revenue authorities. Much inconvenience is being felt for want of a proper building.

I have the honor to be,

Sir,

Your most obedient servant,

Quetachan
