It is understood that the Chief Secretary wishes that in connection with this estimate the question should be raised whether some reduction is not now practicable in the establishment.

I think the question of reducing the plague establishment in the Local and Municipal Department should await Mr Hammick's return. He will be prabably back shortly after the 20th when the Kammatti case decision will be given. If he does not return then the matter can be taken up again.

Note for the Secy:

The existing clerical establishment consists of one clerk on Rs 100 and another on Rs 85 in the Ooty office and one clerk on Rs 40, one on Rs 35, two on Rs 30, one on Rs 25 and one on Rs 20 in the Madras office, the total monthly cost being Rs 305. There are one attender on Rs 10 and two peons on Rs 15 in the Madras office and one peon on Rs 7 in the Ooty office.

T.S.
3-8-99

The question of the reduction feasible in the Plague establishment, Local and Munl. office was gone into carefully a few months ago

and the H. M. accepted the establishment now existing. If plague does not become epidemic this cold weather, it will be advisable to reduce establishments in the cold weather say November or December. But as ∅ every thing points ~~out~~ to an increase of plague in the next two or three months, I do not think the establishment should be further reduced just now.

When the office goes to Madras the clerk on Rs 100 can be reduced. That salary is now given to retain a clerk who understands drafting ~~also~~ Etc in Ooty. In Madras such a highly paid clerk will be unnecessary But until the office goes to Madras we cannot reduce.

To

The Secretary to Government
Local and Municipal Dept

Through the Plague Assistant

Sir,

I beg to submit the following for favorable Consideration.

2. I am a permanent clerk on Rs 20 and was holding a sub proforma appointment on Rs 30 in the Bellary Collector's office, when I was transferred to the Plague Commissioner's office in October 1898 on a telegram received from the Plague Commissioner. Since the Amalgamation of the P.C. office with the Secretariat, I have been continuing as a clerk in the latter. As I was brought here in the interests of public service, I was quite confident that my

Chances of promotion would
not suffer.

3. In August last there were
as many as 7 permanent vacancies
on Rs 30 in the district Consequent
on the revision of Taluk Establishment
and 7 Clerks from the Collector's
office were appointed to those
vacancies. Of these appointments
five were given to men who are
decidedly my Juniors by one or
two years and whose permanent
pay is only Rs 15. I, who was better
qualified than all these five
and who was getting Rs 30 and
for nearly a year acted for 35 in
the Collector's office itself, was
completely overlooked, the reason
being, as the Collector himself
said, that I was not working
in his office at the time. I explained
to him that I was transferred
to Madras in the interests
of Public Service and that
I should not have lost my
promotion on that account.

4. In these Circumstances, I
humbly beg to request that the
Secretary will be pleased to
interfere on my behalf
for the protection of my
prospects. In case I am asked
to recert, I beg that it may be
arranged that one of the above
Appointments which I lost for
no fault of mine may be
bestowed upon me; and in
Case my services here are required
I beg it may be arranged that
my prospects in Bellary do
not in any way suffer.

I beg to remain

Clerk L.M. Plague

To.

M. Hamnick Espine
Secretary to Government.
Local & Municipal Department.
(Through the Special Plague Assistant)

Honored Sir,

I humbly beg permission to represent the following for your kind gracious Consideration.

I am a clerk on Rs: 15 attached to the permanent establishment of the Sub Collectors office North arcot, with a service of 7 years in the Taluk and Sub. Collectors Offices. having passed all the Special Test Examinations (Lowers grades). In November 98. the Plague Commissioner wired to the Collector of North arcot asking for my services as a clerk on Rs: 30 in his office. He then Sub Collector Mr. Dutt relieved me with an encouragement that my claims for promotion in North arcot would not be overlooked during my absence in the Plague Commissioners office.

When the Scheme for the reorganization of the Taluk establishments came into force in July last I sent in an application claiming promotion, and the late acting Secretary was pleased to forward it to the

Collectr of North Arcot. I submit that I was not fortunate enough to get any promotion in the arrangements made in connection with the Scheme, though some of my Junior clerks on Rs: 15 in the Sub Division, with inferior qualifications Lane, I hear, been promoted. This incident has, I beg to submit, Caused Considerable anxiety to me as to whether my Continuance in this office would not be inconsistent with my prospects in North Arcot

I therefore humbly request that your Honor will be pleased to make any recommendation that might be necessary to protect my claims at the occurrence of vacancies in future in North Arcot.

I beg to remain

Honored Sir,

NOTE FOR THE Secy. Ld[n] Dept

Petitions from two clerks of this office complaining that they have ~~suffered~~ been denied promotion in their permanent offices in consequence of their deputation to plague duty are herewith submitted for orders. One clerk ~~Subbu~~ (S. Sundara Aiyar) states that at the time of his transfer from the Collector's office Bellary, he was getting Rs 30 pm, that 5 out of 7 permanent vacancies which occurred subsequently in that Dt have been conferred on his juniors, and that when he represented the matter to the Coll[r], the Coll[r] told him personally that he was not promoted because he was not then in the district. The other clerk (C. Ramaswami Aiyar) was acting on Rs 20 in the Collr's office North Arcot at the time of his deputation and he states that notwithstanding the Collr's assurance that his claims for promotion would not be overlooked during his absence from the Dt, several junior clerks such as Rs 15 with less qualifications have been promoted to Rs 20 over his head.

The Coll[r] was given right

2. When the Shroff Court's appointment was first created, it was found impossible to organize an office with temporary hands & consequently application was made to General heads of offices for the loan of clerks. This application did not meet with success, and I was authorized to get the best men available. I accordingly suggested the names of Sundram Aiyer & Ramabrami Aiyer whom I knew personally as efficient clerks while I was Shroff there Bellary & Inam Settlement Vellore

3. As regards Sundram Aiyer, the following telegraphic application was sent to the Collr of Bellary on the 18th of Sept

"Can you kindly spare C. Sundram Aiyer or S. Venkatachalam for Rs 30 my office. If so shall be glad to have him immediately."

The Collr replied as follows — "Your telegram 18th. Sundram Aiyer instructed to join soon."

As regards Ramabrami Aiyer, the following message was sent to the Collr of Nilgiris —

"Shall be greatly obliged if you can spare C. Ramabrami Aiyer, Nilgiris Collr's office clerk, Vellore for Rs 30 my office & direct him join immediately."

The Collr replied that he had instructed the Asst Collr to relieve the Clerk if he was able to spare him. This was followed by a copy of the following telegram from the Asst Collr

"Shall relieve Ramabrami Aiyer on 16th with directions to join Court's office 18th."

4. This Correspondence shows that the men did not come on their own application or on their own interests but were obtained by the Shroff Court on the interests of the public service. It is submitted that it would be very great hardship if under such circumstances they are denied promotion in the Establt to which they permanently belong. If a clerk is to suffer strictly ~~as is the~~ because he is taken on in a temporary office, it would be impossible to recruit men for any temporary office. Men newly entertained will have to be trained & will be useless for some time. Secondly being temporary, they will endeavour always be on the look out for a permanent appt or for an acting appt in an office in which they have a chance of being confirmed, & will go away at the earliest opportunity. Thirdly, being

They always must suffer — why cannot we be free

why must we suffer? Men we do ask not — if Nilgiris we cannot do what we can's if Nilgiris Court cannot we cannot

will not be amenable to ~~discip~~ discipline & control as men in permanent employ will lack a sense of responsibility

5. The establt in this office consists at present of

(1) N. H Sankara Aiyar
(2) Hafiz P. Saibanka
(3) G. Sundram Aiyar
(4) C. Ramasawmi Aiyar
(5) V. Meenakshi Sundram Aiyar
(6) Abraham Dastyhir
(7) Govinda Nayar.

They must have nothing to do with work of these

Of these Nos 1, 2, & 6 belong to the permanent Establt of the Secretariat & have not suffered by their deputation. Of the other two ~~they~~ two of them have obtained promotion on the permanent Establt whilst on ~~plague~~ deputy duty. No 7 has no permanent appointment is likely to get one in the Educational Dept with permission & continue in this office. No 5 was obtained from the Settlement branch of the Boards' office and the D. C stipulated when taking him that his coming here should not interfere with his prospects in the Boards' office. So the only men who have suffered are Nos 3 & 4, who ~~each~~ having suffered in consequence of this deputation, have now brought the matter to notice. It is submitted that either this petition may ~~either~~ be sent to the Collr concerned for report or that a memo be issued at once requesting the Collr to see that the clerks' claims are not overlooked.

Let them both go back at once, and if necessary Meenakshi can be fetched by next mail. Shew them the Govt order calling for Nayar's report. Office - explain how the clerks are circumstanced.

A Statement showing, as far as practicable, the work in the office during the last fortnight is submitted. It is rather difficult to show all the work in figures.

2. In submitting his petition, the clerk from Bellary did not intend to say that his coming here was a grievance. Attention is invited to the condition attached to the special appointments of Messrs Sim, Cardew & Buckley (vide pages 23, 29 & 63 of the Civil list part up). The clerk thought he might ask for a similar indulgence in his case. A draft memo to Collr of Bellary is put up.

NOTE FOR THE Secy.

The appointment of the Plague Assistant has been sanctioned by the Secy of State, "so long as the prevalence of plague renders his services necessary." The appointment was first created by the Government in February 1898 when the plague only threatened this Presidency, & it is presumed it has to be continued at least as long as there is plague in the Presidency.

As regards the subordinate clerical Establishment the following scale was sanctioned in G.O. No 862 P. dy 6-6-99

1 head clerk on Rs	100
1 clerk ———	40
1 clerk ———	35
2 clerks each Rs 30 —	60
2 clerks each Rs 25 —	50
1 clerk ———	20
Total 8 clerks ———	305

Since the return of Sept & Nov the Head Clerk on Rs 100 & one clerk on Rs 30 have been abolished & the cost of the Establishment is 175 Rs (exclusive of Rs 32, the cost of the menial staff)
