Sir

With reference to G.O. Ref:
on C n^o. 4926 dated 23rd May 1899
passing orders on the list of plague
Establishment for the month of
April 1899, I have the honour to
report as follows -

2. The Hospital assistants
at Coimbatore and Telicherry do plague
work in addition to their ordinary
duties. Under G.O. n^o. 1153 P. dated 23rd
September 1898 they are entitled to
deputation allowance at the rate of
one-fifth of their pay, Rs 25 each.
The allowance of Rs 5 was therefore
granted.

The Hospital assistant at
Cochin was formerly employed on
famine duty in Kundapur. He was

deputed for plague duty at Cochin under the Surgeon-General's order no. 94 dated 5th August 1897. He is therefore entitled to a deputation allowance of Rs 10 under the G.O. quoted above.

3. The Sanitary Inspector who was temporarily deputed for the issue of passports at the Terok Railway Station has been transferred to Erithy to be in charge of the Plague Camp there. At Terok, the Station House officer issues passports now.

4. The Burial-ground Inspectors at Cannanore have been dispensed with. The Chairman, Tellicherry reports that the Council has dispensed with the services of the Maistry, the watchman and the cooly employed on Plague duty in his municipality, with effect from the 6th Instant.

4. The charges for the inspection of persons coming by sea, now met from local and municipal funds, may be transferred to

to Provincial.

Allowances granted for the inspection
of Vessels.

FOR ORDERS.

A list showing the Ports at which vessels arriving from infected parts are inspected and the allowances paid to the inspecting officer is put up. In Tuticorin & Calicut Special Assistant Surgeons are appointed for the inspection of vessels, and the Assistant Surgeon at the latter place has been granted a deputation allowance of Rs: 2 a day besides his salary as per G.O. no. 1368 Pabli of 11-11-98. In other places the inspecting officers are paid different rates of allowances for the same kind of work. The Assistant Port Health Officer Cochin is paid Rs: 5 for each vessel inspected under G.O: 80 Marine of 25-1-99. The Hospital Assistant at Cuddalore & Cochin are paid an allowance of Rs: 10 per m; those at Cannanore at & Tellicherry Rs: 5 per m. & that at Negapatam annas 8 per diem for days on inspection.

inspection duty. No special orders of Government fixing these allowances are quoted. The Collector of Malabar, however, says that the allowances paid to the Hospital Assistants at Cannanore, Cochin and Tellicherry are in accordance with F.O. no. 1152 P of 23.9.88. As the inspection work performed by these Hospital Assistants is the same it is desirable that they should be given the same rate of allowances. Under the recent orders of the Financial Department, the cost of inspection & observation of travellers by sea, is debitable Provincial, the grant of a uniform rate of allowances may be suggested to the Department.

Vessels were also inspected at the Mangalore Port, by a Civil Apothecary, but this inspection has now stopped owing to the non-existence of the post.

27/8/89

To P.W.D. U.O. It may be thought well to revise the scale of allowances & make them uniform.

The L. & M. Dept-
forwarded a list showing
the Ports at which vessels
arriving from infected ports
are inspected, & the allowances
granted to the inspecting
officers. In the note accom-
panying the list it is pointed
out that medical establishments
are granted different rates
of allowance at different
places for doing similar
work, & it is suggested
that a uniform rate of
allowance should be
prescribed. These remarks
apply only to the Hospital

Assistants named in the list.

2. It does not seem practicable to lay down a uniform scale of allowances for all the Harpl Asst. named in the list, for the allowances are governed by special orders, according to the def conditions of each main deputation. In only two of the cases mentioned does a revision of the allowances seem possible. Thus in cases (1) & (6) (Cuddalore & Cochin), the Harpl Asst. having been deputed to plague work from a distance, for the inspection of passengers, draw Rs 10 per mensem under G.O. No 1153 P, L & M, 23.9.98. R In cases (3) & (4) (Cannanore & Tellicherry) the Harpl Asst. are required to do additional plague work such as the inspection of passengers, & are granted a local allow of one-fifth of salary, or Rs 5 each per mensem, ^{under the same G.O.} In cases (2) & (5) (Cannanore & Negapattinam)

the allowances seem open to revision. The Harpl Asst. at Cannanore, who is also Asst. Port Health Officer, draws a fee of Rs 5 for each vessel inspected under the provisions of G.O. No 575 ^{under} main 21.5.98, and date 25.1.99. This fee is however granted for ordinary inspection under Port rules. If he is required to inspect passengers under the Plague regulations, he should be granted a local allow of one-fifth of salary under G.O. No 1153 P, L & M, 23.9.98. The fee of Rs 5 granted from Port funds should not be known under plague allow. The Harpl Asst. at Negapattinam (item 7) draws & earns a fee for days employed in the inspection of passengers by sea. It is not clear under what rule this allowance is granted. This subordinate too should apparently be granted

a local ally of one-fifth
of money, under Sp. 42 1153 P
above quoted. Orders are
requested as to whether in these
two cases, the ally may be
revised accordingly.
