Through the Divisional
Officer, Adoni,
The Collector of Bellary,
and the Plague Commissioner,
Madras.

Sir,

With reference to G.O.
no 2031 L. dated 22nd October
1898, I have the honor to
submit herewith a state-
ment in the form
appended thereto, showing
the works for which pro-
-vision has been made
in the Sanctioned Budget
for

for 1898-99, the expenditure or liabilities actually incurred thereon up to the end of October 1898, and other particulars.

2. In Column I, of the Statement, to the Sum of Rs 1050-0-0 provided in the Sanctioned Budget, Rs 1800-0-0 has been added as excess of anticipated receipts from Tolls and market rents in the Current year over the amount estimated in the Sanctioned Budget for 1898-99.

3. As regards works not yet commenced, only Rs 200-0-0 could be allotted for expenditure on Plague preventive measures by postponing the repairs under buildings provided in the Sanctioned Budget for 1898-99.

4. It may not be out

here that the Council submitted an application to Government for a loan of Rs 9000-0-0 to cover the Plague charges for the current official year through the Collector of Brekary so long ago as the 19th September 1898, (vide this office C No 271

1898 m.
8 " 98

dated 19th September 98) - and a copy of the full correspondence on the subject of loan was also submitted to you direct in compliance with your Memorandum No 1149 dated 12th October 98.

5. As Plague is seriously threatening the Municipality at present and as no funds could be adequately set free to meet the Plague charges as proposed by the Council, and I respectfully solicit that you will be pleased to

to obtain the early sanction of Government for the loan applied for.

6. The Closing balance is only Rs 420-0-0 which is considerably less than the percentage fixed by the G. O. nos 2858, 2859 M dated 31st December 1897.

7. A Statement of Plague Charges approved by the Council is herewith sent together with its resolution.

I have the honor to be,

LOCAL AND MUNICIPAL DEPARTMENT.

SUBJECT.

The estimate of

FOR ORDERS.

Under G.O. No. 883. Financial dated 13th October 1898, the estimated expenditure in the current year on plague preventive measures in the Municipality of Adoni is Rs. 4500. A sum of Rs. 1050 has been provided for epidemic charges in the current year's budget and an additional allotment of Rs. 1800 has been subsequently made by the Municipal Council for this purpose, so that the total amount set apart for plague expenditure is Rs. 2850. As the allotments for works do not appear to be capable of any material reduction, the Municipal Council states that it will not be able to provide the balance of the required money and applies for an advance of Rs. 9000 from Provincial funds. It appears

Vide col. 1. of Stale in A.M.C. 3536 M.

C.O. 3536 M. & this letter in G.O. 1888 M. X. 8.11.98.

however to be sufficient to grant an advance of Rs. 3500 for this purpose so as to leave a margin of Rs. 1850 to meet any increase in the actual over the estimated expenditure, and the Financial Department may be requested to sanction this with reference to para 5 of go. No. 868. Finl. dated 11th October 1898 in go. No. 2031.L. dated 22nd October 1898.
