Note for the CA

Apparently with reference to para 3 of India letter dated 19th Decr. 79, no 1808 printed on page 2 of G. O no 2 Educational dated 6th January 80, the Accountant-General considers it necessary that the sanction of Govt should be renewed for the continuance of establishments at Guntakal & Hindupur. The L^{td} Dept states that establishments at all notified inspection stations should be maintained as long as ^{the} inspection of trains continues at those stations. From the India letter referred to above it would seem that a general sanction cannot be granted for the continuance of the establishments in question. It is therefore submitted that the L^{td} Dept may be informed that the sanction may be renewed for a further period of six months.

The

order may be c. 12. and that
the A. G. may be left to
object. It is obvious that
the establishment must continue
as long as there is Ry.
inspection & ^{it is res tape} ~~this is not to be~~
~~necessary~~ to repeat sanction
at the end of ^{each} six months. If
A. G. objects India may be
