FROM C. J. Weir Esquire 2 es,

PRESIDENT, DISTRICT BOARD,

The Nilgiris.

To

THE SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

Madras.

SIR, I have the honour to state that when a plague Camp was established at Kakkanalla, a place surrounded on all sides by Forests, at or near which no shop exists for the purchase of the provisions required by the Camp Establishment and the travellers detained for inspection, it was ~~therefore~~ found necessary to grant a small advance to a shop-keeper to induce him to set up a shop; therefore, an advance of Rs 50, was granted to one Kadir Baksha with the sanction of the District Board. It was recovered in March last.

2. A similar fresh advance was again granted to the same individual, and it was augmented by ~~Rs~~ 20. The whole amount has now been recovered in consequence of complaints against him of bad supply of provisions

3. Another Bazaarman named Kadirsaib

has been employed, and it is necessary to give him an advance of Rs 50 for the reasons stated above. I have the honour to solicit the sanction of Government for such grant and for allowing it to stand over for adjustment till the camp is closed.

I have the honour to be
Sir
Your most Obedt Servt

For President

C 3682-P.

Forwarded.

2 Rule 53, page 121 of the Plague Regulations (revised edition) authorizes the maintenance of bazaars in the proximity of plague camps. There are no rules under which advances can be made to shopkeepers, but it might perhaps be sanctioned as a special case if it is considered really necessary.
