To
The Secretary to Government,

Madras.

Sir,

I have the honour to invite attention to the Plague Commissioner's letter, No. 941, dated 12th April 1899, addressed to the Traffic Manager, Madras Railway Company, regarding the detention of horses and syces at Guntakal instead of at Tungabhadra, owing to the absence of a horse loading dock at the latter station.

2). As syces from plague infected parts are being detained and disinfected at Guntakal, the horses that are in their charge, have to be provided with proper shelter during their stay. In consultation with the District Medical and Sanitary

Officer

Officer, Anantapur, I have ordered the construction of three blocks of stables, each accommodating four horses. Govern= =ment in its Order, No 1022, Plague, dated 7th September 1898, has sanc= =tioned the erection of such temporary stables

3). I herewith submit Estimate for the same, amounting to Rupees 400 and request that it may be sanction= =ed at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

Adverting to Government Memorandum, Reference on C. No. 3368, Plague, dated the 20th instant, I have the honour to report that a sum of Rupees 800/- has been provided for the current quarter under "24 D. Medical Petty Construction and Repairs-Provincial" in the Plague Budget Estimate for the Quarter ending 31st December 1899, and that the proposed Expenditure of Rupees 400/- for the construction of the Stable at Guntakal can be met therefrom.

2). As Arabian horses which first arrive at Bombay Port must often pass through Guntakal enroute to Madras and other places in the South and as the horses belonging to the Military Department at Bangalore (an unpeopled city)

city) frequently go to Bellary and Secun-
