READ—the following papers:—

From the Collector of Coimbatore, dated 4th November 1899, No. 995-P.

ABSTRACT.—Forwarding revised estimate for 1899-1900 and budget estimate for 1900-1901 of plague expenditure in the district of Coimbatore.

From C. H. MOUNSEY, Esq., I.C.S., Collector of Coimbatore, to the Secretary to Government, Local and Municipal Department, dated 20th November 1899, R.O.C. No. 1546-P.

In the plague revised estimate for the current year, submitted from this office on the 4th current, only a sum of Rs. 93 was provided as the probable expenditure under "Contingencies," "Miscellaneous" (Local) during the months of November and December 1899. But on account of the outbreak and prevalence of plague in the villages of Tagarapuram and Alallit Malligalli and Muthumallanhundi, hamlet of Chilur for disinfecting purposes; disinfectants have to be purchased locally and petty carriage expenditure has also to be incurred. Up to now the cost, &c., of disinfection has come to Rs. 215, and it is likely to increase should the disease spread to other adjacent villages. I therefore (with reference to G.O., No. 1365 P., dated 14th November 1899) sanctioned the transfer of Rs. 500 from the sum of Rs. 1,000 provided by me on account of "Petty Construction and Repairs" to meet immediate requirements, and have the honour to request that Government may be pleased to sanction the increase of provision for this item by Rs. 300 and an additional allotment of Rs. 200 for the item "Miscellaneous."

Endt. No. 257-P.

Transferred to the Financial Department.

23rd November 1899.

(Signed) H. TREMENHEERE,
Secretary to Government.

ORDER—No. 1300, Financial, dated 27th November 1899.

The provision under "Municipal" will be reduced to cover existing establishments. The estimates are accepted as annexed to these proceedings.
