SUBJECT.

Reporting with reference to para
2 of G.O. No. 1517 P, Mis., dated 19th
October 1899, that it is unnecessary
to establish Observation Circles on --
the Northern Frontier.

No. 3013.5
4.12.99.

Order

Forwarded,
2 "Observation Circles" are
not auxiliary to Road
Inspection stations but
vice versa. The latter
are practically useless
without the former. An
opinion as to the necessity
for Observation circles
can be formed solely
upon estimated areas
from an infected area
in relation to time. The
question of direct or indirect
communication must be
subsequent to these con-
siderations. The information
afforded for arrival at a
decision is therefore incomplete,
but as two officers with local
knowledge have reported
against observation being
undertaken, their opinion
may be accepted.

FURTHER PAPERS.

G.O.	No.	Department.	Date.

From

D. D. Murdoch, Esquire,
Ag. Collector of South Canara,

To

The Secretary to Government,
Local and Municipal Department,

Fort Saint George.

(Through the Sanitary Commissioner for Madras).

Sir,

Referring to paragraph 2 of Government Order ---
No. 1517 P, Mis., dated 19th October 1899, I have the ---
honour to state that the Head Assistant Collector, who has
been consulted in the matter, considers it unnecessary to
have observation circles on the northern frontier. He ---
remarks:- "Observation Circles are auxiliary to Road ---
"Frontier Inspection Stations of which there are none in
"the Coondapoor Taluk. As to their necessity, it may be
"observed that there are three roads leading into the ----
"Coondapoor Taluk. Two of these, the Kollur Ghaut road
"and the Hosangadi Ghaut road, lead from Mysore. The ---
"remaining road, which enters this District at Bhatkal and
"goes straight to Baindur, is a continuation of the Coast
"road of this District. There is thus no direct connection
"between the infected taluks of North Kanara and the ----
"Coondapoor Taluk."

2. My predecessor, Mr. Pinhey, who visited the ---
Coondapoor Taluk last month, has left on record a similar
opinion.

3. Very few cases of plague are at present occurring
in North Kanara, and I concur in the opinion that it is ---

unnecessary

unnecessary to establish observation circles.

I have the honour to be,

Sir,

Your most obedient servant,

S. S. Durrant

Acting Collector.
