From

D. D. Murdoch, Esquire,

Ag. Collector of South Canara,

To

The Secretary to Government,

Local and Municipal Department,

Fort Saint George.

Sir,

I have the honour to request early sanction for the entertainment, with effect from the 26th September --- last, of two boatmen on a monthly salary of Rs. 7 each, in connection with the plague preventive measures at the port of Mangalore. The duties to be performed by these men -- are distinct from those of the boatman on Rs. 15 included in the statement which accompanied this office letter Ref. on C. No. 638 P, dated the 31st August 1899, and are ---- explained in the following extract from a letter, dated -- the 14th instant, received from the Port Officer,Mangalore:-

Ex 1372 Pdy 16-9-99 now in the Marine dept.

"The boatmen are stationed on the sandspit at the --- "entrance to go alongside all vessels coming from the North "to ascertain whether they come from the infected ports.-- "If the vessels are from infected ports, they are to be -- "detained in a place in the backwater set apart for the -- "purpose from the general anchorage, and notice is given "to them that they are not to communicate with the shore or "with other vessels until they are visited by the Medical "Officer. A flag is given to each such vessel which is "to be hoisted until she is visited by the Health Officer "and the period of 10 days is over. A flag is also ----- "displayed by these boatmen from their station on the ---- "sandspit as soon as a vessel from infected ports enters "the backwater, as a signal to the Medical Officer to go "and inspect the vessel. These boatmen are moreover set

"to watch these vessels so as to prevent the crew or passengers
"from landing ashore or going on board any other vessel until
"examined and passed by the Health Officer. And as these --
"vessels enter the harbour at any time of the day, the presence
"of these men at their place is absolutely indispensable. ---
"Under these circumstances, these duties cannot possibly be
"performed by the boatman employed by the Divisional Officer,
"as he is engaged in taking policemen across the river to the
"quarantine shed and back several times during the day."

2. This establishment was entertained during the last trading season also, but was then paid from Port Funds.

I have the honour to be,

Sir,

Your most obedient servant,

D. D. Murdoch
