From

Collector of
Anantapur

To

The Secretary to Government,
Local & Municipal Department,
Fort Saint George Madras.

Sir,

In returning herewith Government Endorsement Reference on G. No 3690 Plague dated 29th November 1899, I have the honour to state that the Establishments therein referred to, still continue.

2) As it is believed that Plague will exist in the surrounding part of India till the commencement of the hot season, I thought it necessary that the Establishment employed at the two Railway Inspection Stations in the District should also continue and I have therefore requested Sanction for 6 months. Besides Government in its Order No 3703 Plague Miscellaneous dated 28th November 1899,

has

has sanctioned the retention of the Establishment at the Inspection Stations as long as the inspection of trains continues.

3. The watchers at Tadpatri were appointed to look after the Plague Sheds there and as long as these sheds remain, there must be men to watch them lest they should be damaged; and the period for which sanction is now required, has therefore been approximately given as 6 months.

4 The services of the peon under the District Medical and Sanitary Officer, are required as there is still Plague work in the office and as the Officer every now and then goes on circuit on Plague duty.

5 As regards the Passport issuing Officers at Penukonda and Dharmavaram, I have applied for sanction for three months as it is hoped that their work will be lessened by that time, when it may be transferred to the Station Masters.

I have the honour to be,
Sir,
Your most obedient Servant,
