Railway Medical Inspection.

Modification of the arrangements at

General Department (Plague).
No. 480-P.

Bombay Castle,
23rd January 1899.

Memorandum from the Supervising Medical Officer, Railway Medical Inspection, dated the 31st December 1898—

Submits a statement showing the result of inspection by the Medical staffs at Inspection stations for the week ending 12 noon on Friday the 23rd December 1898.

Letter to the Supervising Medical Officer, Railway Medical Inspection, No. 137-P., dated the 9th January 1899.

Letter from the Supervising Medical Officer, Railway Medical Inspection, No. 644-R., dated the 12th January 1899—

States, with reference to Government letter No. 137-P., dated the 9th idem, that in consequence of the increase of plague in the Bombay City, additional examination of down trains is being instituted at Pálghar on the B. B. & C. I. Railway, and at Manmád and Poona on the G. I. P. Railway; observes that up to the time that arrangements were started for these additional inspections examination of down trains was in force at A'nand on the B. B. & C. I. Railway, at Kalyán and Bhusával on the G. I. P. Railway, and at Poona of one train per diem which was exempt from examination at Kalyán; and adds that no extra measures are necessary at present for the protection of the country along the Tapti Valley line as the down inspection at Pálghar will meet this purpose from the south and a strong barrier inspection about to be started at Broach will protect it from Broach, and that a further report will be made regarding any measures which may be considered necessary for protecting the country along the Godhra-Rutlam lines.

RESOLUTION.—In modification of the arrangements for the medical examination of travellers by railway notified in Government Notification No. 5773—5865-P., dated the 17th October 1898, His Excellency the Governor in Council is pleased to direct that examination at Poona, Sholapur and Bágalkot Stations shall take place as follows, instead of as previously intimated:—

Great Indian Peninsula Railway. (Madras Line.)

- * Poona—Down trains.
- * Sholapur—Up trains.

Southern Marátha Railway.

- * Poona—Up trains.
- * Bágalkot—Up and down trains.

(The asterisk indicates that disinfection is carried out)

The arrangements at the other stations mentioned in Government Notification No. 5773—5865-P., dated the 17th October 1898, remain unchanged.
