Observation Scheme for the Wynaad Taluk.

Approving the proposals of the Collector of Malabar regarding the —.

PROCEEDINGS OF THE PLAGUE COMMISSIONER.

READ—the following papers:—

Memorandum.

Government has sent the following telegram dated 3rd October 1898:—

"Plague has appeared Mysore city and district. Government requests you to organize road frontier inspection stations."

2. Government will now be asked to place the Wynaad taluk of this district under observation.

3. One road frontier inspection station will be established at Manantoddy and another at Sultan's Battery. The apothecary at each station will be in charge.

4. The following four observation posts will be established:—

(1) At Muttunga to patrol from Muttunga to the Nilgiri frontier and from Muttunga to Sultan's Battery about 14 miles.

(2) At Chedleth to patrol from Chedleth to Sultan's Battery and from Chedleth 9 miles towards Kartikolam about 16 miles.

(3) At Kartikolam to patrol from Kartikolam for 9 miles towards Chedleth and from Manantoddy to Bavali about 18 miles.

(4) At Tolpatti to patrol from Kartikolam to the Coorg frontier and from Tolpatti to Kaimaram about 14 miles.

5. Each observation post will be in charge of an Assistant Plague Inspector who will be allowed a peon for every 2 miles of his patrol.

6. At each observation post a suspect camp will be established sufficient to accommodate twelve persons, and also, where necessary, the observation staff.

7. There will be two Plague Inspectors—one will be stationed at Sultan's Battery in charge of the Muttunga and Chedleth posts, the other will be at Manantoddy in charge of the Kartikolam and Tolpatti posts.

8. One Plague Supervisor will be appointed for the whole Wynaad taluk with head-quarters at Manantoddy.

9. All the above staff will be under the orders of the Deputy Collector, Wynaad.

10. The pay of the staff will be as follows and no further allowances of any kind will be granted:—

	Pay.	Travelling allowance.	Halting allowance.	Total.
Supervisor	Rs. 150	Rs. 30	Rs. 15	Rs. 195
Plague Inspector	45	15	15	75
Assistant Plague Inspectors	15 to 25	..	..	..
Peons	9 to 12	..	..	..

11. It will be the duty of the observation staff to cause all persons whom they detain to be produced before the Medical Officer, Sultan's Battery or Manantoddy.

12. The Deputy Collector, Wynaad, is requested to organize the above staff at once. The Supervisor and Plague Inspectors will be appointed by the Collector. The Deputy Collector is authorized to appoint Assistant Plague Inspectors and peons.

13. The following are requested to inform the Deputy Collector at once what peons they can spare for plague duty in the Wynaad:—The District Superintendent of Police, Inspector of Salt and Abkari, Calicut Circle, the Executive Engineer, West Coast Division, the District Forest Officer, North Malabar.

14. The Deputy Collector is requested to increase the plague hospitals at Sultan's Battery and Manantoddy so as to allow of 10 patients at each and to enlarge the suspect camp at each place so as to allow of 50 inmates.

15. As the Mysore district is an infected area all persons entering the Wynaad from Mysore are subject to the rules printed on pages 31 to 32 of the Madras Plague Regulations and Rules.

16. The District Medical and Sanitary Officer is requested to organize an ambulance staff at Calicut.

17. Government will be asked to arrange for 100 men of the M. I. with complete equipage being placed at the Collector's disposal under a European Officer.

CALICUT,
4th October 1898.
