Car Festival at Kotturu.

Ordering the publication of a notification prohibiting pilgrimage to the ensuing — in the Kúdligi taluk of the Bellary district.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From R. C. C. CARR, Esq., I.C.S., Acting Collector of Bellary, to the Secretary to Government, Local and Municipal Department (through the Sanitary Commissioner for Madras), dated 11th December 1899, Ref. on No. 3537-P.

I have the honour to state that the annual car festival at Kóttúru in the Kúdligi taluk of this district will be celebrated from 20th February to 1st March 1900. The festival is one of considerable local importance and in ordinary seasons attracts a large number of pilgrims from all the surrounding country, the total being estimated at 10,000. I recommend that the same arrangements as were approved in G.O., Mis. No. 154 P., dated 31st January 1899 may be sanctioned in respect of the ensuing festival, in view of the prevalence of plague in the Mysore Province, in the Bombay Presidency, and in the Hyderabad State. Pilgrims are expected from all these territories, and the recent outbreak of plague at Hiremegalageri in the Harpanahalli taluk of this district shows that the utmost vigilance is required to prevent the spread of the disease.

2. It seems unnecessary to stop the issue of tickets as the nearest railway station is Harihar on the Mysore State Railway which is 30 miles distant from Kóttúru, and as very few pilgrims are expected to arrive from this quarter.

3. The statement prescribed in G.O., No. 279 P., dated 25th March 1898, as modified by Plague Commissioner's letter No. 462, dated 22nd February 1899, and a draft notification under the Epidemic Diseases Act are enclosed.
