In reply to your
letter no 38 of 16 Jan'y 1899
I have the honor to
forward herewith a
copy of O'ray's no 91 dated
8th Oct 98, for your information.
Mr. Hammick's letter is
18th 1898 unfortunately not very
clear. In the docket is declined
to relax the Paper Regulation in
favor of the Telegraph Dept, but in
the body of his letter he discussed the
arrangement to be made to relax of
Expedition Transfection. It is obvious
that the arrangements proposed
as to telegraph and
for the general Paper rule
of the war are undoubtedly right
detained as is now possible.

To The Surgeon General with
a copy of 91 8th 98 4 enclosures are herewith
